

STATEMENT REGARDING ALLEGED MISMANAGEMENT AND THE SUBSEQUENT COLLAPSE OF MUMIAS SUGAR COMPANY

Mr. Speaker Sir, Senator (Dr.) Boni Khalwake has requested for a statement on the alleged mismanagement and the subsequent collapse of Mumias Sugar Company. The Honourable Senator has requested to be informed on why Ethics and Anti Corruption Commission, the Director of Public Prosecution, and the Criminal Investigation Department have not brought to book former senior managers, led by former Managing Director, Dr. Evans Kidero and Peter Kebati, who individually and jointly plundered the company, as contained in the KPMG audit report.

I wish to state as follows;

Mr. Speaker Sir, neither the National Police Service nor the Directorate of Criminal Investigations is aware of any report of mismanagement of Mumias Sugar Company as no report of the same has been traced in the police records.

Thank you Mr. Speaker Sir.
