CDF BOARD CIRCULARS/VOL1/111

13th September, 2010

TO ALL FUND ACCOUNT MANAGERS
CONSTITUENCIES DEVELOPMENT FUND BOARD

**GUIDELINES FOR DISBURSEMENT OF CONSTITUENCY DEVELOPMENT FUND
BURSARY**

Further to Constituencies Development Fund Board earlier communication to some Constituencies on the above subject, it has become necessary to issue this circular for purposes of accountability and control in implementation of CDF Programme.

A maximum of 15% of the Constituencies CDF allocation per Financial Year can be disbursed as bursaries to meet the educational needs of the Constituencies. Bursary scheme, mocks and continuous assessment tests are considered as a project for the purpose of the CDF Act.

In exercising the above mentioned mandate CDF Board has encountered several challenges in the administration of the CDF Bursary. These include:-

1. Inadequate and sometimes lack of clear standard identification criteria of a beneficiary.
2. Lack of synergy between CDF financed bursary and other structured bursary scheme i.e. Ministry of Education and non-Governmental institutions schemes at the Constituency level.
3. The amount granted to students is at times insufficient to retain them in schools or colleges.
4. Lack of clear institution/committees that handle bursary schemes in the Constituency level which at times leads to mismanagement of the bursary fund.
5. Inadequate systems and procedures in the disbursement of bursary funds to the beneficiaries.
6. Inadequate accounting procedures

In an effort to address these challenges, the CDF Board has issued the following guidelines which should be followed in the administration of the CDF Bursary scheme:-

4. Must state other funding support available to him/her beside the CDF Bursary.
5. The institution where the student is learning must be a registered and recognized by Ministry of Education and/or Ministry of Higher Education Science and Technology.

Constituency Development Fund Committees (CDFCs) should ensure that CDF Bursary funds are free from misuses by enforcing the above mentioned procedures.

The main purpose of the CDF Bursary is to complement Ministry of Education Bursary by ensuring access of bursaries to those bright but needy students in the constituency who has missed being awarded the bursaries under the Ministry of Education. Special consideration should be given to vulnerable students such as those who are physically and visually challenged.

Please communicate the contents of this circular to your respective Constituency Development Committees' (CDFC's) and ensure compliance.
