FOREWORD BY THE CHAIRPERSON

Hon. Speaker,

The County Hall of Fame Bill, 2023 (Senate Bills No. 18 of 2023), sponsored by Senator Miraj Abdillahi Abdulrahman, MP was published *vide* Kenya Gazette Supplement No. 65 of 12th May, 2023. The Bill was read a First Time in the Senate on Tuesday, 8th August, 2023 and thereafter stood committed to the Standing Committee on Labour and Social Welfare for consideration.

The Bill seeks to establishment of a county hall of fame as a means through which exceptional individuals will be recognised by county governments. The Bill therefore imposes duties on the county governments to ensure that county governments discharge their functions under the Constitution.

Hon. Speaker,

Pursuant to Article 118 of the Constitution and Standing Order 145 (5) of the Senate Standing Orders, the Committee published an advertisement in the Daily Nation and Standard Newspapers on Thursday, 10th August, 2023, inviting members of the public to submit written memoranda to the Committee on the Bill. The advertisement was also posted on the Parliament website and social media platforms. Following the call for submissions, the Committee received written memoranda from stakeholders.

The Committee proceeded to consider the Bill extensively, scheduled and held meetings with various stakeholders including the Ministry of Tourism, Wildlife and Heritage, Ministry of Youth Affairs, Sports and the Arts and the National Heroes Council.

The Committee also received written submissions from the Ministry of Tourism Wildlife and Heritage, the Council of Governors, the County Assemblies Forum and the Ministry of Youth Affairs, Sports and the Arts.

The Committee received amendments to the Bill, including reservations on the Bill. This Report is therefore an account of the deliberations of the Committee. The Committee observes that most of the matters covered under the County Hall of Fame Bill, 2023, are addressed under the Kenya Heroes Act, 2014 and the National Honours Act, 2013. The Committee recommends to the House not to proceed with the Bill and that the Sponsor of the Bill may consider proposing amendments to existing laws on the same.

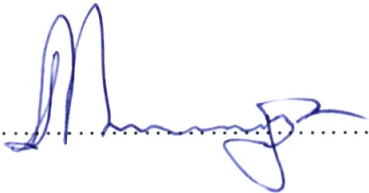

Hon. Speaker,

May I take this opportunity to commend the Members of the Committee for their devotion and commitment to duty, which made the consideration of the Bill successful. I also wish to thank the Offices of the Speaker and the Clerk of the Senate for the support extended to the Committee in undertaking this assignment.

Hon. Speaker,

It is now my pleasant duty, pursuant to standing order 148(1) of the Senate Standing Orders, to present the Report of the Standing Committee on Labour and Social Welfare on the County Hall of Fame Bill, 2023 (Senate Bills No. 18 of 2023).

Signed

Date. 2nd September, 2023

**SEN. JULIUS MURGOR RECHA, MP
CHAIRPERSON, STANDING COMMITTEE ON LABOUR AND SOCIAL
WELFARE**

CHAPTER ONE: INTRODUCTION

1.0 Background

1. The County Hall of Fame Bill, 2023 (Senate Bills No. 18 of 2023), sponsored by Senator Miraj Abdillahi Abdulrahman, MP was published *vide* Kenya Gazette Supplement No. 65 of 12th May, 2023. The Bill was read a First Time in the Senate on Tuesday, 8th August, 2023 and thereafter stood committed to the Standing Committee on Labour and Social Welfare for consideration. A copy of the Bill is annexed to this Report as *Appendix 2*.
2. Pursuant to Article 118 of the Constitution and Standing Order 145 (5) of the Senate Standing Orders, the Committee published an advertisement in the Daily Nation and Standard Newspapers on Thursday, 10th August, 2023, inviting members of the public to submit written memoranda to the Committee on the Bill. The advertisement was also posted on the Parliament website and social media platforms. A copy of the advertisement is attached as *Appendix 3*.
3. Following the call for submissions, the Committee received written memoranda from various stakeholders including the Ministry of Tourism Wildlife and Heritage, the Council of Governors, the County Assemblies Forum and the Ministry of Youth Affairs, Sports and the Arts.
4. The County Hall of Fame Bill, 2023 (Senate Bills No. 18 of 2023), seeks to establish county hall of fame as a means through which exceptional individuals will be recognised by county governments. The Bill therefore imposes duties on the county governments to ensure that county governments discharge their functions under the Constitution.
5. Paragraph 4(h) of Part 2 of the Fourth Schedule to the Constitution provides that cultural activities, public entertainment and public amenities including sports and cultural activities and facilities some of the functions and powers of county governments.

6. Currently, the National Honours Act, 2013 provides a legal framework for the procedures and mechanisms for conferring of national honours by the President under Article 132(4)(c) of the Constitution nationally.
7. The legal framework for counties to confer county honours is yet to be developed. The Bill therefore proposes the establishment of a county hall of fame as a means through which exceptional individuals will be recognised by county governments.

1.1. Overview of the Bill

8. The Bill proposes to establish a hall of fame in each county, which shall honour the achievements of exceptional individuals and serve as a repository for the history, heritage and culture of the county. The Bill further seeks to establish, in each county, a selection committee responsible for recommending to the governor, the induction of exceptional individuals into the county hall of fame.
9. Under the Bill, a person shall merit to be inducted into the county hall of fame if such person is —
 - (a) a person who exhibited or exhibits exemplary qualities, actions or achievements of heroism, sacrifice, bravery, patriotism or leadership for the defence, benefit or betterment of the county or country;
 - (b) a person who has made an exemplary contribution to the county or country in the economic, social, scientific, academic, public administration, governance, sports, journalism, business, security or other field;
 - (c) a State officer or public officer who has made an exemplary contribution to the betterment of the county government; or
 - (d) a person who has otherwise brought honour, glory or pride to a county or country.
10. The Bill further contemplates that the hall of fame will be a repository of historical documents and artefacts relating to the culture and heritage of the respective county.

1.2. Purpose of the Bill

11. The principal objective of the Bill is therefore to establish a platform through which county governments honour individuals, within the respective counties, who have made significant contributions in any profession or activity.

1.3. Consequences of the Bill

12. The Bill proposes the establishment of a county hall of fame as a means through which exceptional individuals will be recognised by county governments. The Bill therefore imposes duties on the county governments to ensure that county governments discharge their functions under the Constitution.

CHAPTER TWO: PUBLIC PARTICIPATION ON THE BILL

1.0 Committee Undertakings

13. The Committee published an advertisement in the Daily Nation and Standard newspapers on Thursday, 10th August, 2023, inviting members of the public to submit written memoranda on the Bill. The advertisement was also posted on the Parliament website and social media platforms. A copy of the advertisement is annexed to this Report as *Appendix 4*.
14. Subsequently, during consideration of the Bill, the Committee also resolved to invite additional submissions from key stakeholders, including –
 - a) Ministry of Tourism Wildlife and Heritage,
 - b) Council of Governors,
 - c) County Assemblies Forum and
 - d) Ministry of Youth Affairs, Sports and the Arts.
15. In response to the said invitations, the Committee received submissions from the Ministry of Tourism Wildlife and Heritage, the Council of Governors, the County Assemblies Forum and the Ministry of Youth Affairs, Sports and the Arts.
16. The Council of Governors were in support of the Bill while the Ministries proposed amendments to the Bill.
17. Copies of the written submissions are attached to this Report as *Appendix 6(a) – (d)*. Additionally, a matrix analysing the stakeholder submissions clause-by-clause is annexed as *Appendix 5*.
18. The Committee proceeded to consider the Bill extensively, together with the stakeholder submissions received thereon.

2.1 Overview of Stakeholder Submissions on the Bill

19. Below is an overview of the stakeholder submissions on the County Hall of Fame Bill, 2023 (Senate Bills No.18 of 2023).

20. The Ministry of Tourism, Wildlife and Heritage as follows –

- a) the National Honours Act, 2013, which establishes a system to award national and county officers with state/national honours is implemented by the Presidency through three committees namely: The National and County Governments Honours Committee; Parliamentary Honours Advisory Committee; and Judiciary Honours Advisor Committee (sections 5,6 & 7).
- b) It is therefore, the considered opinion of the Ministry that, the avenue to bestow honour on individuals within the respective counties acclaimed as being outstanding, exceptional or illustrious in any profession or activity proposed in the County Hall of Fame Bill is sufficiently factored in the existing laws.
- c) The Kenya Heroes Act 2014 also provides the identification and honouring of national heroes. The Act provides criteria and categories for identification and honouring of heroes (Preamble and the First Schedule).
- d) Clause 3 (a) on the objects of the Bill is to “provide for framework for recognition by counties of persons who have made significant contributions to the county or country”. This object is duplicative of the objects under the National Honours Act 2013 and the Kenya Heroes Act 2014.
- e) Clauses 3 (b) and (c) of the Bill on objects to “provide a framework for preservation of the history heritage and culture of the county” and “provide a basis for the education of members of the public on the history, heritage and culture of the country” respectively, would be duplicative of the mandate of the county museums as well as national museums existing within the counties.
- f) The purposes of the Bill under Clause 4, (2) (b), (c) and (d) are currently undertaken by the Kenya National Archives and Documentation Service (for documents), as well as the National Museums of Kenya under the National Museums and Heritage Act, 2006 (for artefacts).
- g) Clauses 4 and 5 provide respectively, for establishment of a county hall of fame and designation of public building for purposes of establishing a

county hall of fame. The Kenya Heroes Act under section 26 provides for establishment of Heroes' squares where the Council may establish and maintain, heroes' squares in such places as it may deem appropriate.

- h) Clause 6 (a) provides for establishment of the County hall of fame selection committee to be chaired by the County Executive Committee member responsible for culture and heritage. The same role is cross-referenced under the Kenya Heroes Act, section 16 specifically assigning administration and the implementation of heroes honours systems to the County Executive Committee Member of their respective Counties in accordance with the provisions of the Kenya Heroes Act. It follows therefore, that, the powers to administer heroes' honours is already in existence under the law.
- i) In regard to clause 15 (1) (b) on establishment of "a register of all documents, information, items and artifacts received for preservation and display in the County Hall of Fame," and clause (18) (1) and (3) on the receipt of artifacts and historical documents, including their preservation; it is our submission, that, the county museums and the national archives are well suited to undertake such activities.
- j) Implicitly, various parts of the Senate Bill No. 9 of 2021, the Kenya Heroes Act 2014 and the National Honours Act 2013 may be inoperable due to the duplicity of functions. There is therefore need to review and harmonize the three pieces of legislation with the view of providing for optimal synergy and productivity in their implementation.

21. The Ministry of Youth Affairs, Sports and the Arts as follows –

- a) Clause 6 of the Bill providing for County Hall of Fame Selection Committee is silent on the criteria and qualifications of the Committee. While it has been provided for specific office holders it does not reflect on the community involvement which is goes against the provisions of Article 10 of the Constitution. Further, the clause has left out the women and youth demographic;

- b) Clause 18 of the Bill providing for the submission and receipt of artefacts and historical items. It is understood that the purpose of these is to introduce controls and giving the County Executive Committee member in charge the opportunity to exercise the control. However, the control needs to be protracted to include the family, clan or Community. This allows families that submit items have a say over items that may hold sentimental value to the family. It also allows controls from persons who steal from families. Moving forward, greater clarity is needed through the provision of guidelines, practice notes and templates and the proposed development of guidelines for issuance of controls and measures at Clause 18 of the Bill is welcomed; and
- c) Clause 20 of the Bill providing for the Offences- The clause while it has provided for the offences it is a recommendation to introduce another offence that reads “A person who submits historical items or artefacts to the selection committee without consultation from the family, community or clan if need be shall have committed an offence”

CHAPTER THREE: COMMITTEE OBSERVATIONS AND RECOMMENDATIONS

3.0 Committee Observations on the Bill

The Committee observes that -

- a) National Honours Act, 2013, establishes a system to award national and county officers with national honours through three committees namely: the National and County Governments Honours Committee, the Parliamentary Honours advisory Committee and the Judiciary Honours Advisory Committee.
- b) The Kenya Heroes Act, 2014 also provides the identification and honouring of national heroes. The Act provides criteria and categories for identification and honouring of heroes at the national and county levels of governments.
- c) Under section 16 of the Kenya Heroes Act, 2014 the administration and the implementation of heroes honours systems is assigned to the County Executive Committee Members of their respective Counties.
- d) Most of the matters covered under the County Hall of Fame Bill, 2023, are addressed under the Kenya Heroes Act, 2014 and the National Honours Act, 2013.

3.1 Committee Recommendations

In view of the above observations, the Committee recommends that the Sponsor may consider proposing amendments to existing laws to provide for issues not covered under the existing laws.

MEMORANDUM OF OBJECTS AND REASONS

Statement of the Objects and Reasons for the Bill

The purpose of the Bill is to provide a means through which exceptional individuals in each County are recognized and honoured by their Counties. The Bill creates a forum by which the County Governments can honour persons who may not necessarily be recognized at the National Level but are heroes and heroines within their respective counties. The Bill therefore appreciates that each County may have a group of persons that it may want to honour at the County level of government. The County Hall of Fame established by this Bill creates a forum for the recognition of such persons.

Statement on the delegation of legislative powers and limitation of fundamental rights and freedoms

The Bill does not delegate legislative powers, nor does it limit the fundamental rights and freedoms.

Statement on how the Bill concerns county governments

The establishment of the County Hall of Fame will enable each county to preserve its history, culture and heritage. The Bill therefore concerns county governments in terms of Articles 110(1)(a) of the Constitution in that it contains provisions that affect the functions and powers of the county governments as set out in Part 2 of the Fourth Schedule to the Constitution.

Statement that the Bill is not a money Bill within the meaning of Article 114 of the Constitution

This Bill is not a money Bill within the meaning of Article I 14 of the Constitution.

Dated the 27th April, 2023.

1. The Ministry of Tourism, Wildlife and Heritage through the State Department for Culture & Heritage noted that—
 - (a) the National Honours Act, 2013, which establishes a system to award national and county officers with state/National honours is implemented by the Presidency through three committees namely: The National and County Governments Honours Committee; Parliamentary Honours advisory Committee; and Judiciary Honours Advisory Committee (sections 5,6 & 7)
 - (b) It is therefore, our considered opinion that, the avenue to bestow honour on individuals within the respective counties acclaimed as being outstanding, exceptional or illustrious in any profession or activity proposed in the County Hall of Fame Bill is sufficiently factored in the existing laws.
 - (c) The Kenya Heroes Act 2014 also provides the identification and honouring of national heroes. The Act provides criteria and categories for identification and honouring of heroes (Preamble and the First Schedule).

- (d) Clause 3 (a) on the objects of the Bill is to “provide for framework for recognition by counties of persons who have made significant contributions to the county or country”. This object is duplicative of the objects under the National Honours Act 2013 and the Kenya Heroes Act 2014.
- (e) Clauses 3 (b) and (c) of the Bill on objects to “provide a framework for preservation of the history heritage and culture of the county” and “provide a basis for the education of members of the public on the history, heritage and culture of the country” respectively, would be duplicative of the mandate of the county museums as well as national museums existing within the counties.
- (f) The purposes of the Senate Bill under Clause 4, (2) (b), (c) and (d) in our considered view are currently undertaken by the Kenya National Archives and Documentation Service (for documents), as well as the National Museums of Kenya under the National Museums and Heritage Act, 2006 (for artefacts).
- (g) Clauses 4 and 5 provide respectively, for establishment of a county hall of fame and designation of public building for purposes of establishing a county hall of fame. The Kenya Heroes Act under section 26 provides for establishment of Heroes' squares where the Council may establish and maintain, heroes' squares in such places as it may deem appropriate.
- (h) Clause 6 (a) provides for establishment of the County hall of fame selection committee to be chaired by the County Executive Committee member responsible for culture and heritage. The same role is cross-referenced under the Kenya Heroes Act, section 16 specifically assigning administration and the implementation of heroes honours systems to the

County Executive Committee Member of their respective Counties in accordance with the provisions of the Kenya Heroes Act. It follows therefore, that, the powers to administer heroes' honours is already in existence under the law.

- (i) In regard to clause 15 (1) (b) on establishment of “a register of all documents, information, items and artifacts received for preservation and display in the County Hall of Fame,” and clause (18) (1) and (3) on the receipt of artifacts and historical documents, including their preservation; it is our submission, that, the county museums and the national archives are well suited to undertake such activities.
 - (j) Implicitly, various parts of the Senate Bill No. 9 of 2023, the Kenya Heroes Act 2014 and the National Honours Act 2013 may be inoperable due to the duplicity of functions. There is therefore need to review and harmonize the three pieces of legislation with the view of providing for optimal synergy and productivity in their implementation.
2. The Council of Governors agreed with the content of the Bill.
 3. The Ministry of Youth Affairs, the Arts and Sports submitted that the Public Archives and Documentation Services Act, the National Museums and Heritage Act, the National Honours Act and the Kenya Heroes Act have addressed most of the matters provided for in the current Bill.

STATE DEPARTMENT VIEWS ON THE DRAFT COUNTY HALL OF FAME BILL 2021

The above matter refers.

We have perused the draft County Hall of Fame Bill No. 9 of 2021 and wish to make the following comments:

1. Clause 6 of the Bill providing for County Hall of Fame Selection Committee

The Selection committee is silent on the criteria and qualifications of the Committee. While it has been provided for specific office holders it does not reflect on the community involvement which is goes against the provisions of Article 10 of the Constitution.

Further the Clause has left out the Women and Youth demographic. It should also be noted that the

2. Clause 18 of the Bill providing for the submission and receipt of artefacts and historical items.

It is understood that the purpose of these is to introduce controls and giving the County Executive Committee member in charge the opportunity to exercise the control.

However, the control needs to be protracted to include the family, clan or Community. This allows families that submit items have a say over items that may hold sentimental value to

the family. It also allows controls from persons who steal from families.

Moving forward, greater clarity is needed through the provision of guidelines, practice notes and templates and the proposed development of guidelines for issuance of controls and measures at Clause 18 of the Bill is welcomed.

3. Clause 20 of the Bill providing for the Offences

The clause while it has provided for the offences it is a recommendation to introduce another offence that reads

"A person who submits historical items or artefacts to the selection committee without consultation from the family, community or clan if need be shall have committed an offence"

Submitted for your consideration.

**MEMORANDUM ON THE COUNTY HALL OF FAME BILL, 2023
(SENATE BILL No. 18 of 2023)**

BY

MINISTRY OF YOUTH AFFAIRS, THE ARTS AND SPORTS

SUBMITTED TO THE CLERK OF THE SENATE.

BY HON. ABABU NAMWAMBA, EGH

WHEREAS a Bill entitled “An Act of Parliament to establish a County Hall of Fame in each County as an avenue through which the County Governments shall bestow honour on individuals within their respective counties acclaimed as being outstanding, exceptional or illustrious in any profession or activity; provide a framework for the preservation of the history, heritage and culture of counties; and for connected purposes” (hereinafter referred to as Senate Bill No. 18 of 2023)

AND WHEREAS pursuant to Article 118 of the Constitution and Standing Orders 140 (5) of the Senate Standing Orders inviting the undersigned vide a letter dated 17th August 2023 to submit written submissions to be referred to during the Committee meeting that is scheduled to be held on Wednesday, 23rd August 2023 at 10.00a.m on the the Senate Bill:

NOW THEREFORE, The Ministry of Youth Affairs, the Arts and Sports being a stakeholder hereby submits the following views on the County Hall of Fame Bill, 2023 (Senate Bill No. 18 of 2023):

Subs	PROVISION	COMMENT
Long Title	ACT of Parliament to: establish a county hall of fame in each county as an avenue through which the County Governments shall bestow honour on individuals within their respective counties acclaimed as being outstanding, exceptional or	The scope of the Bill comprise two distinct and unrelated subjects: <u>bestowing</u> honours / entering individuals into a hall of fame and <u>preservation</u> of history, heritage and culture. The two subjects have no natural or legitimate connection and putting them in one Act would be akin to log-rolling.

	<p>illustrious in any profession or activity; provide a framework for the preservation of the history, heritage and culture of counties.</p>	
<p>Memorandum of Objects and Reasons</p>	<p>Statement of the Objects and Reasons for the Bill</p> <p>The purpose of the Bill is to provide a means through which exceptional individuals in each County are recognized and honoured by their Counties. The Bill creates a forum by which the County Governments can honour persons who may not necessarily be recognized at the National Level but are heroes and heroines within their respective counties. The Bill therefore appreciates that each County may have a group of persons that it may want to honour at the County level of government. The County Hall of Fame established by this Bill creates a forum for the recognition of such persons.</p>	<p>The Statement on the objects of the Bill vis-à-vis the Long Title.</p> <p>The Memorandum of objects only speaks to the Honours at County levels and is silent on the preservation of the history, heritage and culture of counties. This lends credence to comment No. 1 above and to the fact that the inclusion of subjects that are diverse in nature but which have no connection, is disruptive and would not allow for each subject to be considered separately and on its own merit.</p> <p>It is equally not clear the gaps the Bill aims to address with respect to the preservation of the history, heritage and culture.</p>
<p>Interpretation Clause</p>	<p>“County Hall of Fame” <u>means a roll,</u> in a county, of persons who are</p>	<p>The use of the term <i>County Hall of Fame</i> in the body of the and the meaning assigned to it under clause 2.</p>

	<p>judged as being outstanding, exceptional or illustrious</p>	<p>Whereas the meaning assigned to it under <u>Clause 2 is a roll</u>, under Clause 5, the County Hall of Fame includes a permanent public site or public building or such part of a permanent public building or that as shall be erected by the Governor, and which under Clause 4 will among other things serve as a repository and source of information for members of the public on the history, heritage and culture of the county; and a mechanism for the preservation of historical documents and artefacts relating to the county.</p> <p>The <u>ordinary meaning</u> assigned to a roll is a register, a schedule or sheet of parchment on which information is entered. (Blacks Law Dictionary)</p> <p>It is noted that under Clause 15 the Selection Committee shall keep and maintain a county hall of fame <u>register</u> consisting of the names of all the persons inducted to the county hall of fame; and a <u>register</u> of all documents, information, items and artefacts received for preservation and display in the county hall of fame.</p> <p>It is therefore recommended that the meaning assigned to the “County hall of fame” ought to be aligned with its usage in the rest of the body.</p>
--	--	---

	<p>“Artefacts” “Culture” and “Heritage”</p>	<p>There are no meanings assigned to the words “artefacts”, “culture” and “heritage” used in the body of the Bill.</p> <p>It is noted that under the Museums and Heritage Act, the word used is “cultural heritage”, and the meaning assigned to it is: “means;</p> <p>(a) monuments;</p> <p>(b) architectural works, works of monumental sculpture and painting, elements or structures of an archaeological nature, inscriptions, cave dwellings and combinations of features, which are of universal value from the point of view of history, art or science;</p> <p>(c) groups of separate or connected buildings which, because of their architecture, their homogeneity or their place in the landscape, are of outstanding value from the point of view of history, art or science;</p> <p>(d) works of humanity or the combined works of nature and humanity, and areas including archaeological sites which are of outstanding value from the historical, aesthetic, ethnological or anthropological point of view, and includes objects of archaeological or palaeontological interest, objects of historical interest and protected objects”</p>
--	---	--

		<p>It is proposed that the same be defined, with reference to the definition under the National Museums and Heritage Act.</p>
<p>Part IV</p>	<p>Induction into the Hall of Fame</p> <p>(1) A person shall merit to be inducted into the county hall of fame if such person is —</p> <p>(a) a person who exhibited or exhibits exemplary qualities, actions or achievements of heroism, sacrifice, bravery, patriotism or leadership for the defence, benefit or betterment of the county or country;</p> <p>(b) a person who has made an exemplary contribution to the county or country in the economic, social, scientific, academic, public administration, governance, <u>sports</u>, journalism, business, security or other field.</p>	<p>Whilst, the proposal to honour persons who have made exemplary contribution to the country in the field of sports is greatly appreciated, it is however noted that the Ministry of Youth Affairs, the Arts and Sports has an elaborate framework to do this through a National Honours and Awards Scheme for all athletes.</p>
	<p>Existing Legislations</p>	

	<ol style="list-style-type: none"> 1. National Honours Act 2. National Museums and Heritage Act 3. Public Archives and Documentation Service Act 4. Heroes Act 	<p>There is an elaborate legal framework to address the issues, if any, that are sought to be addressed by the said Bill:</p> <ol style="list-style-type: none"> 1. It is noted that Section 5 the National Honours Act, establishes a National and County Governments Honours Advisory Committee comprising: <ol style="list-style-type: none"> (a) the Deputy President who shall be the chairperson; (b) the Cabinet Secretary responsible for national heritage; (c) the Cabinet Secretary responsible for public service; (d) two Governors elected by the Council of County Governors; (e) the chairperson of the Public Service Commission; and (f) a chairperson of a County Public Service Board elected by the Council of County Governors. <p>The County Governments are adequately represented in the said Committee and whose functions are similar to the functions of the Selection Committee (established under Clause 6) proposed under Clause 7 of the Bill. It is recommended that duplicity of functions be avoided, where a</p>

Under Section 5 of the National Museums and Heritage Act, the National Museums shall—</p> <ul style="list-style-type: none"> (a) serve as national repositories for things of scientific, cultural, technological and human interest; (b) serve as places where research and dissemination of knowledge in all fields of scientific, cultural, technological and human interest may be undertaken; (c) identify, protect, conserve and transmit the cultural and natural heritage of Kenya; and (d) promote cultural resources in the context of social and economic development. <p>Considering that museums is a devolved function under Part 2 of Schedule IV of the Constitution, and there are County museums performing the functions proposed in the Bill, a framework for collaboration with the National Museum of Kenya and the County Governments would be more useful. These museums can be designed as County Halls of Fame, or in the alternative, the Counties can designate part of the</p>

		<p>County Headquarters, or erstwhile Social Halls as Halls of Fame.</p> <p>However, in counties where there are no County museums, then the Cost-Benefit Analysis is key; the implication of setting up Halls of Fame, and preserving artefacts (financial and human-expertise costs).</p> <p>3. Section 3 of the Public Archives and Documentation Service Act, establishes the Kenya National Archives and Documentation Service, with a Director whose mandate includes having the charge and proper housing, control and preservation of all public archives and public records,</p> <p>(a) examine any public records, and advise on the care, preservation, custody and control thereof;</p> <p>(b) require the transfer to his custody of any public records which he considers should be housed in the national archives;</p> <p>(c) compile, make available and publish indexes and guides to, and calendars and texts of, all public archives; among others.</p>
--	--	---

		<p>4. The Kenya Heroes Act 2014 established the National Heroes Council whose functions includes identifying and recommending national heroes.</p> <p>It is notable that there exists a framework for implementation of the said Act at county level. Under Section 16 of the said Act, on Administration of system in the Counties</p> <p><i>“The County Executive Committees established under Article 183 of the Constitution shall be responsible for the administration of the heroes’ honours system in their respective counties in accordance with the provisions of this Act”.</i></p> <p>Under Section 26 on the Establishment of Heroes’ Squares, the Council may establish and maintain Heroes’ Squares, in such places as it may deem appropriate.</p> <p>It is noted that the Council has no representation of the County Governments. It is proposed that the council be expanded to include a representative of the Council of Governors or County Governments</p>
--	--	---

It is our submission that the Senate Bill contains proposals that have no natural or legitimate connection, and which ought to be separated. Further, where there are existing laws, the proposed areas under the Bill should be

incorporated through amendments to the existing legislation as reflected in the Kenya Heroes Act 2014, incorporating the counties. The Memorandum and Objects of the Bill should identify the gaps the would otherwise not be sufficiently addressed by the existing laws.

BY THE NATIONAL HEROES COUNCIL

THROUGH

**THE STATE DEPARTMENT FOR CULTURE AND

**SUBMITTED TO THE CLERK OF THE NATIONAL
ASSEMBLY**

ON

**THE COUNTY HALL OF FAME BILL (SENATE BILL NO. 9
OF 2021)**

(A Bill published in the Kenya *Gazette* Supplement No. 29 of 8th March, 2021 and passed by the Senate, with amendments, on 11th January, 2022)

WHEREAS a Bill entitled "An Act of Parliament to establish a County Hall of Fame in each County as an avenue through which the County Governments shall bestow honour on individuals within their respective counties acclaimed as being outstanding, exceptional or illustrious in any profession or activity; provide a framework for the

preservation of the history, heritage and culture of counties; and for connected purposes" (hereinafter "*the Senate Bill No. 9 of 2021*");

AND WHEREAS The Clerk of the National Assembly has invited The Ministry of Sports, Culture and Heritage to submit its Memoranda on the various Bills to facilitate public participation;

NOW THEREFORE, The State Department for Culture & Heritage under the Ministry of Sports, Culture and Heritage being a stakeholder hereby submits the following views on the Senate Bill No. 9 of 2021:

1. Whereas **Clause 2** on the interpretation of the Senate Bill No. 9 of 2021 refers to "the Cabinet Secretary responsible for matters relating to culture, heritage and **state honours**," the position is that matters related to State/National honours vest under the Cabinet Affairs Office as opposed to the Cabinet Secretary responsible for matters relating to culture and heritage.
2. The National Honours Act, 2013, which establishes a system to award national and county officers with state/National honours is implemented by the Presidency through three committees namely: The National and County Governments Honours Committee; Parliamentary Honours advisory Committee; and Judiciary Honours Advisor Committee (**sections 5,6 & 7**)

It is therefore, our considered opinion that, the avenue to bestow honour on individuals within the respective counties acclaimed as being outstanding, exceptional or illustrious in any profession or activity proposed in the County Hall of Fame Bill is sufficiently factored in the existing laws.

3. The Kenya Heroes Act 2014 also provides the identification and honouring of national heroes. The Act provides criteria and categories for identification and honouring of heroes (**Preamble and the First Schedule**).
4. **Clause 3 (a)** on the objects of the Senate Bill No. 9 of 2021 is to "provide for framework for recognition by counties of persons who have made significant contributions to the county or country". This object is duplicative of the objects under the National Honours Act 2013 and the Kenya Heroes Act 2014.
5. **Clauses 3 (b) and (c)** of the Bill on objects to "provide a framework for preservation of the history heritage and culture of the county" and "provide a basis for the education of members of the public on the history, heritage and culture of the country" respectively, would be duplicative of the mandate of the county museums as well as national museums existing within the counties.

Recommendation: It is, thus, our proposition that the Cabinet Secretary responsible for culture and heritage administers these two forms of recognition as envisaged in the existing laws to avoid duplicity of functions.

6. The purposes of the Senate Bill No. 9 of 2021 under **Clause 4, (2) (b), (c) and (d)** in our considered view are currently undertaken by the Kenya National Archives and Documentation Service (for documents), as well as the National Museums of Kenya under the National Museums and Heritage Act, 2006 (for artefacts).

Recommendation: Considering that the museum function under the Fourth Schedule of the Constitution is a devolved function, we propose that County Museums is assigned the responsibility of the preservation of artifacts and heritage relating to county

heroes/heroines. Conversely, the National Archives should guide on preservation of documents on the counties' histories and heroes

7. **Clauses 4 and 5** provide respectively, for establishment of a county hall of fame and designation of public building for purposes of establishing a county hall of fame. The Kenya Heroes Act under section 26 provides for establishment of Heroes' squares where the Council may establish and maintain, heroes' squares in such places as it may deem appropriate.

Recommendation: It is our recommendation that there would be need for consideration to harmonize establishment of the county hall of fame and heroes squares, which would serve the same purpose. This will avoid duplication.

8. **Clause 6 (a)** provides for establishment of the County hall of fame selection committee to be chaired by the County Executive Committee member responsible for culture and heritage. The same role is cross-referenced under the Kenya Heroes Act, section 16 specifically assigning administration and the implementation of heroes honours systems to the County Executive Committee Member of their respective Counties in accordance with the provisions of the Kenya Heroes Act. It follows therefore, that, the powers to administer heroes' honours is already in existence under the law.
9. In regard to **clause 15 (1) (b)** on establishment of "a register of all documents, information, items and artifacts received for preservation and display in the County Hall of Fame," and **clause (18) (1) and (3)** on the receipt of artifacts and historical documents, including their preservation; it is our submission, that, the county museums and the national archives are well suited to undertake such activities.

10. Appreciating that the County Hall of Fame Bill has not been considered as a "Money Bill" within the meaning of the Constitution Article 114, it is our considered view that undertaking preservation activities, especially of artifacts is a specialized function that requires rich and diverse research expertise, as well as specialized facilities for research, conservation, curation and storage.

All these aspects require huge amount of money, and, therefore, the current provisions in the counties may not be sufficient. This position is informed by the fact that there may be need to employ conservation experts, archivists, curators and exhibition designers besides establishing specially designed spaces for storage and curation.

Recommendation: There is therefore need to review the functions allocated to the County Halls of Fame under the Bill vis-à-vis any intended resource mobilization for establishment of the County Halls of Fame.

Implicitly, various parts of the Senate Bill No. 9 of 2021, the Kenya Heroes Act 2014 and the National Honours Act 2013 may be inoperable due to the duplicity of functions. There is therefore need to review and harmonize the three pieces of legislation with the view of providing for optimal synergy and productivity in their implementation.

COUNCIL OF GOVERNORS

LEGISLATIVE MEMORANDUM ON THE COUNTY HALL OF FAME BILL, 2023

**From
THE COUNCIL OF GOVERNORS**

MEMORANDUM ON THE THE COUNTY HALL OF FAME BILL, 2023

The Council of Governors,

In recognition of Article 1(4) of the Constitution of Kenya, that sovereign power of the people is exercised at the national level and the county level;

In further recognition of Article 6 (2) that governments at the national and county levels are distinct; and

Aware of the need for coordination and consultation between the National Government and County Governments to ensure that legislation responds to the key issues facing devolution, and further reflects the spirit and objects of devolution.

A. GENERAL COMMENTS

1. Article 96 of the Constitution endows Senate with the law-making function of parliament by considering, debating and approving Bills concerning Counties, as provided in Articles 109 and 110.
2. The Council of Governors lauds the efforts geared towards the enactment of the County Hall of Fame Bill, 2023 and is in support of the same as it purely concerns County Governments and provides a framework for County Governments to honor persons who may not necessarily be recognized at the National Level but are heroes and heroines within their respective counties.
3. Further, the Bill is a step in the right direction towards the preservation of the history, heritage and culture of respective counties
4. The Council is further cognizant of the Protection Of Traditional Knowledge And Cultural Expressions Act,2016 which provides a framework for the protection and promotion of traditional knowledge and cultural expressions; to give effect to Articles 11, 40 and 69(1)(c) of the Constitution. Section 4 of The Act endows County Governments with the responsibility of protection and preservation of cultural knowledge within the County as similarly expressed under Clause 18 of the Bill.
