#### 3. Governance Statement

#### The County Assembly

The County Assembly is constituted by the MCAs of Kakamega county government. It is headed by the Speaker who is elected by the MCAs. The speaker is also the chairperson of the county assembly service board while the county assembly clerk is the secretary.

Section 10 (4) of the county governments 2012 provides that a county assembly shall observe the following order of precedence.

- a) The speaker of the county assembly.
- b) The leader of the majority party; and
- c) The leader of the minority party.

The Roles of the county assembly are outlined in Section 8 of the County Governments Act 2012 and they include:

- a) Vet and approve nominees for appointment to county public office as may be provided for in this Act or any other law.
- b) Perform the roles set out under Article 185 of the Constitution.
- c) Approve the budget and expenditure of the county government in accordance with Article 207 of the Constitution, and the legislation contemplated in Article 220(2) of the Constitution, guided by Articles 201 and 203 of the Constitution.
- d) Approve the borrowing by the county government in accordance with Article 212 of the Constitution.
- e) Approve county development planning; and
- f) Perform any other role as may be set out under the Constitution or legislation.

The County Assembly Executes its mandate, through committees which are broadly classified into two.

#### a) Select Committees

Select committees are generally responsible for overseeing the work of government departments and agencies.

In addition to the above committees of the County Assembly, the County Assembly has an independent Audit Committee which was constituted to comply with the PFM (County Government) regulations (2015) on the formation of audit committees for all Counties.

#### Communication with all Stakeholders

The County is committed to ensuring that all its stakeholders are provided with full and timely information about its programmes and performance. They are also given an opportunity to give feedback. In this regard, the County held an Annual consultative meeting where the different stakeholders were invited for information sharing. This communication is important in ensuring that stakeholder expectations are aligned to the County's service delivery charter.

The County Assembly also subjected bills through public participation .

#### **Risk management**

The Assembly's activities expose it to a variety of financial risks including credit and liquidity risks and effects of changes in foreign currency. The Assembly's overall risk management programme focuses on unpredictability of changes in the business environment and seeks to minimize the potential adverse effect of such risks on its performance by setting acceptable levels of risk. The Assembly does not hedge any risks and has in place policies to ensure that credit is only extended to customers with an established credit history.

#### Compliance

The financial statements have been prepared on a historical cost basis except for the measurement at re-valued amounts of certain items of property, plant and equipment, marketable securities and

financial instruments at fair value, impaired assets at their estimated recoverable amounts, and actuarially determined liabilities at their present value. The preparation of financial statements in conformity with International Public Sector Accounting Standards (IPSAS) allows the use of estimates and assumptions. It also requires management to exercise judgment in the process of applying the *entity's* accounting policies. The areas involving a higher degree of judgment or complexity, or where assumptions and estimates are significant to the financial statements, are disclosed in Notes of these financial statements.

The financial statements have been prepared and presented in Kenya Shillings, which is the functional and reporting currency of the Assembly.

The financial statements have been prepared in accordance with the PFM Act, the State Corporations Act (include any other applicable legislation), and International Public Sector Accounting Standards (IPSAS). The accounting policies adopted have been consistently applied to all the years presented.

#### 4. Foreword By the Clerk of The Assembly

It is my pleasure to present the County Assembly of Kakamega Financial Reports and Statements for the year ended 30<sup>th</sup> June,2023. The statements present the financial performance of the County Assembly for financial year 2022-2023.

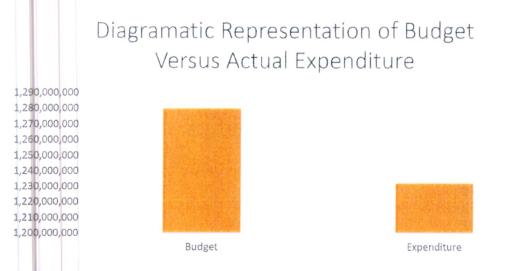

The Financial Statements have been prepared in line with the Public Finance Management (PFM) Act, 2012 and are in line with the format prescribed by the Public Sector Accounting Standards Board.

Kakamega County Assembly has 90 Members of County assembly, 60 are elected and 30 nominated. In the Financial period ended 30<sup>th</sup> June ,2023, the Assembly had a staff establishment of 92 members of staff.

The performance of the Assembly in period ended 30<sup>th</sup> June ,2023 had so many challenges like late funding and challenges related to the elections. The performance has been explained below:

#### (i) Budget performance

The County assembly had a budget of Kshs 1,257,867,932. The actual expenditure for the period ended 30<sup>th</sup> June 2023 was Kshs 1,231,960,960 Leaving a Deficit of Kshs (4,478,806).

#### (iii) Performance of key development projects

County Assembly planned to undertake one development project of Construction of the Chambers; however this was not implemented as the matter was being finalised in court.

#### (iv) Comment on value-for-money achievements

In the Financial period ended 30<sup>th</sup> June 2023 the Assembly did not have any development project. The assembly in all its activities has achieved value for money. Oversight has increased which has indirectly benefited the community through improved infrastructure and medical care and services.

Kakamega County Assembly exists to transform lives. This is our purpose; the driving force behind everything we do. It is what guides us to deliver our strategy, which is founded on Kakamega county assembly pillars: putting the customer/Citizen first, delivering relevant goods and services, and improving operational excellence.

#### (v) Challenges and Recommended Way Forward

The major challenge the assembly faces is untimely disbursement of funds from the National Treasury. The Assembly has no any other source of revenue to finance its budget and whenever funds are not received or disbursed late, this renders budget utilisation impossible.

The way forward on this challenge is enactment of Laws to allow the assembly receive its exchequer directly from the National treasury and not through the county executive.

The assembly has new management, and we are looking forward to construction of a new Assembly Chamber to create more space for MCAs and members of staff.

The assembly has ensured staff welfare is number one and it has allowed the staff to have a welfare. It has also ensured that all members of staff are on medical scheme.

#### 6. Corporate Social Responsibility Statement/Sustainability Reporting

#### a) Sustainability strategy and profile

.

The County Assembly is constituted as per the constitution of Kenya is headed by the Speaker of the County Assembly, who is responsible for the general policy and strategic direction of the Assembly.Kakamega County Assembly exists to transform lives. This is our purpose; the driving force behind everything we do. It is what guides us to deliver our strategy, which is founded on Kakamega county assembly pillars: putting the customer/Citizen first, delivering relevant goods and services, and improving operational excellence. Below is a brief highlight of our achievements in each pillar.

#### b) Environmental performance

This is the mother law of all environmental aspects in the Country. From it, there are regulations that have been developed including Wetlands Regulations, Environmental Regulations (EIA/EA), Water Quality Regulations, Controlled Substances, Biodiversity Regulations, Air Quality Regulations, Waste Management Regulations and Noise Regulations. These regulations regulate the various environmental aspects.

The act talks of having a County Environment Action Plan developed which should be adopted by the County Assembly. The purpose of environmental action plans is to co-ordinate and harmonize the environmental policies, plans, programmes and decisions of the national and county governments, as the case may be, in order to-

- i. minimize the duplication of procedures and functions; and promote consistency in the exercise of functions that may affect the environment;
- ii. secure the protection of the environment across the country; and
- iii. Prevent unreasonable actions by any person, state organ or public Municipality in respect of the environment that are prejudicial to the economic or health interests of other counties or the country.

In section 147A, EMCA gives counties the powers to make legislation in respect of all such matters as are necessary or desirable that are required or permitted under the Constitution and EMCA.

#### • National Environment Policy, 2013

This policy touches on various aspects including:

#### - Public participation

A coordinated and participatory approach to environmental protection and management will be enhanced to ensure that the relevant government agencies, county governments, private sector, civil society and communities are involved in planning, implementation and decision making processes.

#### - Climate Change

Strengthen capacity for national and county level institutions to support national climate resilience, low carbon development through integrating climate change into implementation strategies.

#### - Environmental Monitoring and assessment

Ensure periodic reporting on county and national status of environment.

#### - Institutional Arrangement

Streamline and strengthen the capacity of environmental institutions at the national and county levels so as to make them more effective and participatory.

The policy also requires that environmental concerns are integrated in all policy, planning and development processes, through strengthening the capacity of environmental institutions at the county levels so as to make them more effective in ensuring compliance and enforcement.

#### • County Environmental Management Act, 2019

It has a number provisions relating to air pollution, noise pollution, public nuisances and waste management. These are key aspects that environmental performance should look at.

#### Draft County Climate Change Policy

Once enacted, this policy will be key in monitoring, evaluating and reporting climate change adaption and mitigation strategies.

The County's **successes** include development of a number of legislation to guide environmental performance such as Environmental Management Act, 2019 and County Water Act 2019. Through the Environmental Management Act, 2019, the County has been able to resolve a number of complaints ranging from noise pollution, solid waste pollution, and waste water management just to mention a few. Other draft legislation that are crucial include County Natural Resources Management Bill, Climate Change Bill and Climate Change Policy.

Some of the shortcomings include:

- Inadequate awareness of the public on the significance of complying with environmental and social safeguards in implementing development projects.
- Extra costs get incurred for stalled and delayed projects and resolving issues that could have been prevented when County projects comply with social and environmental safeguards.

There is a revised draft National Sustainable Waste Management Policy which is a **waste management policy** for the country. The national policy:

- aims at transitioning the waste sector in every county away from low collection rates, illegal dumping and uncontrolled dumpsites to affordable waste collection, recycling and composting, and minimize waste fractions that are finally disposed to a well-engineered and regulated landfill.
- supports the creation of the planning, finance, technical and governance capacities that county governments need to effectively deliver on their mandate under the Constitution of Kenya 2010, to be the lead actors in delivering sustainable waste management services, by providing an enabling policy and regulatory environment to facilitate the counties to effectively deliver waste management services including, facilitating inter-county cooperation under the metropolis approach, financial incentives, research, Some of the efforts to reduce environmental impact of the county's products include:

- Provision of a dumpsite to dump the solid waste emerging from the municipal area of the County. The dumpsite is well maintained to ensure there is a conducive living environment for the surrounding community.
- Promotion of 3R principle (refuse, reduce and recycle) among the county residents to ensure minimum waste is generated.
- Plans to incorporate a private investor in developing a county landfill.
- c) Employee welfare

The County Assembly of Kakamega is guided by the following policies on human capital management;

- i. Constitution of Kenya (2010).
- ii. Human Resource Policy.
- iii. County Government Act (2012).

During recruitment, the County Assembly ensure that stakeholders/relevant departments are involved by providing their staff needs guided by their staff establishment/organization structure. These staff needs from all departments are consolidated by Human Resource and Administration department and forwarded as the County Assembly staff needs to the County Assembly Service Board (CASB) for recruitment. The board ensures that it sticks not only to the gender rule during hiring process but also considers regional balance as required by law.

The County also ensures continuous and systematic upgrading of county staff skills through training and capacity building based on identified gaps.

Considering the policy on safety and compliance with Occupational Safety and Health Act 2007 (OSHA), the County ensured that all offices have been installed with fire extinguishers, have fire assembly points, have indicative directions to all offices and adhere to Work Injury Benefits Act (WIBA) by compensating employees who get injured while on duty

#### d) Market place practices

#### a) Responsible Supply chain and supplier relations-

Using appropriate procurement methods that ensure equity and transparency.

- Use of standard tender documents as guided by Public Procurement Regulatory Authority.

-Supplier development program sensitization and training for special groups.

-Debriefing of unsuccessful bidders to enhance competitiveness and transparency.

- Reporting of contracts awards to relevant authorities and general public

- Procurement based on approved budget and procurement plan.

#### (i) **Treating Suppliers Responsibility by honoring Contract**

-Formation of **Contract Implementation teams** for complex projects to monitor projects.

- Consultations and negotiations with suppliers before contract signing especially for complex projects.

The County also supports the vulnerable and its citizens through various programs like shelter improvement, donations during Governors christmas tree celebrations, public participation, sporting activities, music and cultural festivals and construction of gender based violence rescue centre

#### 7. Statement Of Management Responsibilities

Sections 164 of the Public Finance Management Act, 2012 requires that, at the end of each financial year, the Accounting Officer of a County Government Entity to prepare financial statements in accordance with the standards and formats prescribed by the Public Sector Accounting Standards Board.

The Clerk of the County Assembly is responsible for the preparation and presentation of the County Assembly's financial statements, which give a true and fair view of the state of affairs of the County Assembly for the year ended June 30, 2023. This responsibility includes: (i) maintaining adequate financial management arrangements and ensuring that these continue to be effective throughout the reporting period; (ii) maintaining proper accounting records, which disclose with reasonable accuracy at any time the financial position of the County Assembly; (iii) designing, implementing and maintaining internal controls relevant to the preparation and fair presentation of the financial statements, and ensuring that they are free from material misstatements, whether due to error or fraud; (iv) safeguarding the assets of the County Assembly; (v) selecting and applying appropriate accounting policies; and (vi) making accounting estimates that are reasonable in the circumstances.

The Clerk accepts responsibility for the County Assembly's financial statements, which have been prepared on the Cash Basis Method of Financial Reporting, using appropriate accounting policies in accordance with International Public Sector Accounting Standards (IPSAS). The Clerk is of the opinion that the County Assembly's financial statements give a true and fair view of the state of the County Assembly's transactions for the year ended June 30, 2023, and of its financial position as at that date. The Clerk further confirms the completeness of the accounting records maintained for the County Assembly which have been relied upon in the preparation of its financial statements as well as the adequacy of the systems of internal financial control.

The Clerk confirms that the County Assembly has complied fully with applicable Government Regulations and the terms of external financing covenants (where applicable), and that the County Assembly's funds received during the year under audit were used for the eligible purposes for which they were intended and were properly accounted for. Further the Clerk confirms that the County Assembly's financial statements have been prepared in a form that complies with relevant accounting standards prescribed by the Public Sector Accounting Standards Board of Kenya.

# REPORT OF THE AUDITOR-GENERAL ON COUNTY ASSEMBLY OF KAKAMEGA FOR THE YEAR ENDED 30 JUNE, 2023

#### PREAMBLE

I draw your attention to the contents of my report which is in three parts:

- A. Report on the Financial Statements that considers whether the financial statements are fairly presented in accordance with the applicable financial reporting framework, accounting standards and the relevant laws and regulations that have a direct effect on the financial statements.
- B. Report on Lawfulness and Effectiveness in Use of Public Resources which considers compliance with applicable laws, regulations, policies, gazette notices, circulars, guidelines and manuals and whether public resources are applied in a prudent, efficient, economic, transparent and accountable manner to ensure Government achieves value for money and that such funds are applied for the intended purpose.
- C. Report on Effectiveness of Internal Controls, Risk Management and Governance which considers how the entity has instituted checks and balances to guide internal operations. This responds to the effectiveness of the governance structure, the risk management environment and the internal controls, developed and implemented by those charged with governance for orderly, efficient and effective operations of the entity.

An unmodified opinion does not necessarily mean that an entity has complied with all relevant laws and regulations and that its internal controls, risk management and governance systems are properly designed and were working effectively in the financial year under review.

The three parts of the report are aimed at addressing the statutory roles and responsibilities of the Auditor-General as provided by Article 229 of the Constitution, the Public Finance Management Act, 2012, the County Governments Act, 2012 and Public Audit Act, 2015. The three parts of the report, when read together constitute the report of the Auditor-General.

#### **REPORT ON THE FINANCIAL STATEMENTS**

#### **Qualified Opinion**

I have audited the accompanying financial statements of County Assembly of Kakamega set out on pages 1 to 34, which comprise of the statement of financial assets and liabilities

Report of the Auditor-General on County Assembly of Kakamega for the year ended 30 June, 2023

as at 30 June, 2023 and the statement of receipts and payments, statement of cash flows and statement of comparison of budget and actual amounts: recurrent and development combined for the year then ended, and a summary of significant accounting policies and other explanatory information in accordance with the provisions of Article 229 of the Constitution of Kenya and Section 35 of the Public Audit Act, 2015. I have obtained all the information and explanations which, to the best of my knowledge and belief, were necessary for the purpose of the audit.

In my opinion, except for the effect of the matters described in the Basis for Qualified Opinion section of my report, the financial statements present fairly, in all material respects, the financial position of the County Assembly of Kakamega as at 30 June, 2023, and of its financial performance and its cash flows for the year then ended, in accordance with International Public Sector Accounting Standards (Cash Basis) and comply with the Public Finance Management Act, 2012, and the County Governments Act, 2012.

#### **Basis for Qualified Opinion**

#### 1. Undisclosed Expenditure on Casual Workers

Records maintained by the County Assembly, including the manual payroll, indicate that the County Assembly engaged eleven (11) casual workers during the year each earning Kshs.14,000 per month totalling Kshs.154,000 per month and translating to Kshs.1,848,800 during the year. However, the expenditure has not been disclosed in the financial statements amount of Kshs.497,900,739 in respect of compensation of employees in Note 4. Further, the personal files of the workers do not include their contract renewal letters. In addition, it is not clear how casuals were engaged since there was no evidence of approval by the County Assembly Service Board.

In the circumstances, the accuracy and completeness of the expenditure of Kshs.497,900,739 on compensation of employees could not be confirmed.

#### 2. Failure to Disclose Previous Pending Accounts Payables

The audited financial statements for the year ended 30 June, 2022 reflected, under Note 1 on Other Disclosures, a pending accounts payables balance of Kshs.53,028,597. However, the financial statements for the year ended 30 June, 2023 reflect pending bills of Kshs.88,000,000 being additions during the year under review. No explanation and documentary evidence was provided on how the previous year's balance was cleared.

In the circumstances, the accuracy and completeness of pending accounts payables balance of Kshs.88,000,000 could not be confirmed.

#### 3. Un-Supported Expenditure

#### 3.1 Foreign Travel Payments

The statement of receipts and payments reflects an amount of Kshs.406,175,294 in respect of use of goods and services which, as disclosed in Note 5 to the financial statements, includes Kshs.27,683,670 relating to foreign travel and subsistence. Further,

Report of the Auditor-General on County Assembly of Kakamega for the year ended 30 June, 2023

the amount of Kshs.27,683,670 includes Kshs.1,044,700 paid as reimbursement of per diem and air tickets to facilitate two officers attend a 5-day Institute of Certified Public Accountants of Kenya (ICPAK) seminar on leadership, governance and accountability in Dubai, United Arab Emirates. However, relevant supporting documents such as travel clearance by the Authorized Officer, boarding passes, signed list of participants for each day of the meeting, programme of the event and training certificates were not provided for audit review.

#### 3.2 Hospitality Supplies and Services

The statement of receipts and payments reflects expenditure on use of goods and services totaling Kshs.406,175,294 which, as disclosed in Note 5 to the financial statements, includes an amount of Kshs.59,641,172 relating to hospitality supplies and services, out of which an amount of Kshs.6,870,000 was paid to various contractors and suppliers. However, the payments were not supported by electronic tax registers, local purchase/service orders, delivery notes, goods received notes, inspection and acceptance certificates and quotations.

#### 3.3 Office and General Supplies and Services

The statement of receipts and payments reflects an amount of Kshs.406,175,294 in respect of use of goods and services which, as disclosed in Note 5 to the financial statements, includes Kshs.9,613,382 relating to office and general supplies and services. However, the amount of Kshs.9,613,382 includes Kshs.2,457,500 incurred on purchase of various items that was not supported with procurement documents and stores records.

#### 3.4 Routine Maintenance - Other Assets

The statement of receipts and payments reflects an amount of Kshs.406,175,294 in respect of use of goods and services which, as disclosed in Note 5 to the financial statements, includes an amount of Kshs.10,645,217 relating to routine maintenance - other assets. The amount of Kshs.10,645,217 includes Kshs.9,985,037 paid to various contractors to repair hansard equipment, office furniture, painting of building and supply of materials for the County Assembly. However, it was not possible to confirm whether work was done to satisfaction of the Assembly as there were no inspection and acceptance certificates or reports.

In the circumstances, the accuracy and completeness of the expenditure under use of goods and services amounting to Kshs.406,175,294 could not be confirmed.

#### 4. Inaccuracy of Outstanding Imprest

The statement of assets and liabilities reflects an outstanding balance of Kshs.52,848,455 in respect of imprests and advances as disclosed in Note 14 and Annex 5 to the financial statements. However, the balance differs from the Kshs.43,250,696 shown in the imprest register and imprest warrants resulting to an unexplained and unreconciled variance of

Report of the Auditor-General on County Assembly of Kakamega for the year ended 30 June, 2023

Kshs.9,597,759. In addition, no explanation was provided for failure to have the imprests surrendered or accounted for in time.

In the circumstances, the accuracy and completeness of the imprest and advances balance of Kshs.52,848,455 could not be confirmed.

The audit was conducted in accordance with International Standards of Supreme Audit Institutions (ISSAIs). I am independent of the Kakamega County Assembly Management in accordance with ISSAI 130 on Code of Ethics. I have fulfilled other ethical responsibilities in accordance with the ISSAI and in accordance with other ethical requirements applicable to performing audits of financial statements in Kenya. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my qualified opinion.

#### Key Audit Matters

Key audit matters are those matters that, in my professional judgment, are of most significance in the audit of the financial statements. There were no key audit matters to report in the year under review.

REPORT ON LAWFULNESS AND EFFECTIVENESS IN USE OF PUBLIC RESOURCES

#### Conclusion

As required by Article 229(6) of the Constitution, based on the audit procedures performed, except for the matters described in the Basis for Conclusion on Lawfulness and Effectiveness in Use of Public Resources section of my report, I confirm that, nothing else has come to my attention to cause me to believe that public resources have not been applied lawfully and in an effective way.

#### **Basis for Conclusion**

#### 1. Irregular Salary Incremental Credits to Staff

Review of the payroll revealed that staff members specifically those in Job Groups Q and S (equivalent of CASB 4 and CASB 2 respectively) in the County Assembly earned special salaries in the form of incremental credits amounting to Kshs.1,201,840. This was done despite the staff having reached their maximum annual incremental limits.

No evidence was provided of concurrence from the Salaries and Remuneration Commission to support the payment of the incremental credits, contrary to the Salaries and Remuneration Review Commission review of salaries for County Government employees at the County Assemblies as supported by Phase IV of the Salaries Review Commission review of salaries which was effective from 1 July, 2020.

In the circumstances, Management was in breach of the law.

Report of the Auditor-General on County Assembly of Kakamega for the year ended 30 June, 2023

#### 2. Non-Remittance of Statutory Dues

Review of the payroll revealed that a total of Kshs.2,385,100 was deducted from employees in respect of National Hospital Insurance (NHIF) contributions and Kshs.36,670,569 in respect of LAPFUND. However, only Kshs.1,906,650 and Kshs.22,148,672 were remitted to the Funds leaving unremitted balances of Kshs.478,450 and 14,521,897 respectively. This is contrary to Regulation 22(2)(a) of the Public Finance Management (County Governments) Regulations, 2015, which requires Accounting Officers to comply with any tax, levy, duty, pension, commitments and audit commitments as may be provided for by legislation.

In the circumstances, Management was in breach of the law.

#### 3. Lack of Staff Ethnic Diversity

Review of human resource records including the payroll indicated that during the year under review, the County Assembly had eighty-seven (87) employees, out of which eighty-four (84) employees or 97% were from one ethnic community. This is contrary to Section 7(1) and (2) of the National Cohesion and Integration Act, 2008 which states that, "all public offices shall seek to represent the diversity of the people of Kenya in employment of staff and that no public institution shall have more than one third of its staff establishment from the same ethnic community".

In the circumstances, Management was in breach of the law.

#### 4. Failure to Construct the Speaker's Official Residence

During the year under review, the Assembly paid a total amount of Kshs.960,000 as house allowances to the Speaker at a rate of Kshs.80,000 per month. However, the Salaries and Remuneration Commission had set and communicated a housing benefit for County Governors, Deputy Governors and County Assembly Speakers. The Commission, through subsequent Circulars Ref. SRC/TS/COG/6/61/48 VOL II dated 20 May, 2019 and Circular Ref. SRC/TS/CGOVT/3/61/VOL.V(44) dated 14 August, 2020 extended the deadline for meeting the directive to 30 June, 2022 on which date the option for Counties paying rent or leasing houses for the eligible State Officers' official residential houses would cease. However, the County Assembly of Kakamega is yet to comply with the directive.

In the circumstances, Management was in breach of the law.

#### 5. Failure to Withhold VAT on Consultancy Services

The statement of receipts and payments reflects an amount of Kshs.406,175,294 in respect of use of goods and services which, as disclosed in Note 5 to the financial statements, includes Kshs.28,763,276 relating to other operating expenses out of which Kshs.11,766,474 was incurred on consultancy services. However, the providers of the

Report of the Auditor-General on County Assembly of Kakamega for the year ended 30 June, 2023

consultancy services were paid in full without withholding 5% VAT contrary to Section 4(1) and (2) of the Income Tax Act, Cap.470.

In the circumstances, Management was in breach of the law

#### 6. Unsupported Overdrawn Bank Balances

The statement of financial assets and liabilities reflects a negative balance of Kshs.38,909,557 in respect of cash and cash equivalents which, as disclosed in Note 13A to the financial statements, includes two overdrawn bank accounts, one by Kshs.953,462 and the other by Kshs.39,267,364. No explanation was provided for overdrawing the bank accounts. This is contrary to Section 119(4) of the Public Finance Management Act, 2012, which prohibits an accounting officer of a County Government entity from causing a bank account to be overdrawn beyond the limit authorized by the County Treasury. No evidence was provided to show that the County Treasury had authorized any limit hence it was not possible to confirm whether the two overdrawn balances were within authorized limits.

In the circumstances, Management was in breach of the law.

The audit was conducted in accordance with ISSAI 4000. The standard requires that I comply with ethical requirements and plan and perform the audit to obtain assurance about whether the activities, financial transactions and information reflected in the financial statements are in compliance, in all material respects, with the authorities that govern them. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

# REPORT ON EFFECTIVENESS OF INTERNAL CONTROLS, RISK MANAGEMENT AND GOVERNANCE

#### Conclusion

As required by Section 7(1)(a) of the Public Audit Act, 2015, based on the audit procedures performed, I confirm that, nothing has come to my attention to cause me to believe that internal controls, risk management and overall governance were not effective.

#### **Basis for Conclusion**

The audit was conducted in accordance with ISSAI 2315 and ISSAI 2330. The standards require that I plan and perform the audit to obtain assurance about whether effective processes and systems of internal control, risk management and overall governance were operating effectively, in all material respects. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

#### Responsibilities of Management and those Charged with Governance

Management is responsible for the preparation and fair presentation of these financial statements in accordance with International Public Sector Accounting Standards (Cash

Report of the Auditor-General on County Assembly of Kakamega for the year ended 30 June, 2023

Basis) and for maintaining effective internal control as Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error and for its assessment of the effectiveness of internal controls, risk management and overall governance.

In preparing the financial statements, Management is responsible for assessing the County Assembly's ability to sustain its services, disclosing, as applicable, matters related to sustainability of services and using the applicable basis of accounting unless Management is aware of the intention to dissolve the County Assembly or to cease its operations.

Management is also responsible for the submission of the financial statements to the Auditor-General in accordance with the provisions of Section 47 of the Public Audit Act, 2015.

In addition to the responsibility for the preparation and presentation of the financial statements described above, Management is also responsible for ensuring that the activities, financial transactions and information reflected in the financial statements are in compliance with the authorities which govern them, and that public resources are applied in an effective way.

Those charged with governance are responsible for overseeing the County Assembly's financial reporting process, reviewing the effectiveness of how the Management monitors compliance with relevant legislative and regulatory requirements, ensuring that effective processes and systems are in place to address key roles and responsibilities in relation to governance and risk management, and ensuring the adequacy and effectiveness of the control environment.

#### Auditor-General's Responsibilities for the Audit

The audit objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion in accordance with the provisions of Section 48 of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISSAIs will always detect a material misstatement and weakness when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

In addition to the audit of the financial statements, a compliance audit is planned and performed to express a conclusion about whether, in all material respects, the activities, financial transactions and information reflected in the financial statements are in compliance with the authorities that govern them and that public resources are applied in an effective way, in accordance with the provisions of Article 229(6) of the Constitution and submit the audit report in compliance with Article 229(7) of the Constitution.

Report of the Auditor-General on County Assembly of Kakamega for the year ended 30 June, 2023

Further, in planning and performing the audit of the financial statements and audit of compliance, I consider internal controls in order to give an assurance on the effectiveness of internal controls, risk management and overall governance processes and systems in accordance with the provisions of Section 7(1)(a) of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution. My consideration of the internal controls would not necessarily disclose all matters in the internal controls that might be material weaknesses under the ISSAIs. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements caused by error or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions.

Because of its inherent limitations, internal controls may not prevent or detect misstatements and instances of non-compliance. Also, projections of any evaluation of effectiveness to future periods are subject to the risk that controls may become inadequate because of changes in conditions, or that the degree of compliance with the policies and procedures may deteriorate.

As part of an audit conducted in accordance with ISSAIs, I exercise professional judgement and maintain professional skepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management.
- Conclude on the appropriateness of the Management's use of the applicable basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the County Assembly's ability to sustain its services. If I conclude that a material uncertainty exists, I am required to draw attention in the auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my audit report. However, future events or conditions may cause the County Assembly to cease to sustain its services.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information and business activities of the County Assembly to express an opinion on the financial statements.

Report of the Auditor-General on County Assembly of Kakamega for the year ended 30 June, 2023

• Perform such other procedures as I consider necessary in the circumstances.

I communicate with the Management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal controls that are identified during the audit.

I also provide Management with a statement that I have complied with relevant ethical requirements regarding independence and communicate with them all relationships and other matters that may reasonably be thought to bear on my independence, and where applicable, related safeguards.

# 14. Significant Accounting Policies

The Significant accounting policies adopted in the preparation of these financial statements are set out below:

# 1. Statement of compliance and basis of preparation

The financial statements have been prepared in accordance with Cash-basis IPSAS financial reporting under the cash basis of accounting, as prescribed by the PSASB and set out in the accounting policy notes below. This cash basis of accounting has been supplemented with accounting for; a) receivables that include imprests and salary advances and b) payables that include third party deposits and retentions. The statement of assets and liabilities, although not a requirement of the IPSAS Cash Standard, has been included to disclose information on some classes of receivables and payables as outlined above.

The financial statements are presented in Kenya Shillings, which is the functional and reporting currency of the entity all values are rounded to the nearest Kenya Shilling. The accounting policies adopted have been consistently applied to all the years presented.

The financial statements comply with and conform to the form of presentation prescribed by the PSASB.

### 2. Reporting entity

The financial statements are for the *Kakamega* County Assembly. The financial statements encompass the reporting entity as specified in section 164 of PFM Act 2012.

### 3. Recognition of receipts and payments

### a) Recognition of receipts

The County Assembly recognises all receipts from the various sources when the event occurs, and the related cash has been received by the Assembly.

### i) Transfers from the Exchequer/ County Treasury

Transfer from Exchequer is recognized in the books of accounts when cash is received. Cash is considered as received when payment instruction is issued to the bank and notified to the receiving entity.

### ii)Other Receipts

Other receipts relate to receipts such as tender fees among others. These are recognised in the financial statements when the associated cash is received.

### b) Recognition of payments

The entity recognises all expenses when the event occurs, and the related cash has actually been paid out by the entity.

### i) Compensation of employees

Salaries and Wages, Allowances, Statutory Contribution for employees are recognized in the period when the compensation is paid.

### ii) Use of goods and services

Goods and services are recognized as payments in the period when the goods/services are consumed and paid for. Such expenses, if not paid during the period where goods/services are consumed, shall be disclosed as pending bills.

### iii) Acquisition of fixed assets

The payment on acquisition of property plant and equipment items is not capitalized. The cost of acquisition and proceeds from disposal of these items are treated as payments and receipts items respectively. Where an asset is acquired in a non-exchange transaction for nil or nominal consideration and the fair value of the asset can be reliably established, a contra transaction is recorded as receipt and as a payment. A fixed asset register is maintained by each public entity and a summary provided for purposes of consolidation. This summary is disclosed as an annexure to the consolidated financial statements.

### 4. In-kind contributions

In-kind contributions are donations that are made to the Assembly in the form of actual goods and/or services rather than in money or cash terms. These donations may include vehicles, equipment or personnel services. Where the financial value received for in-kind contributions can be reliably determined, the entity includes such value in the statement of receipts and payments both as receipts and as an expense in equal and opposite amounts; otherwise, the contribution is not recorded.

### 5. Third Party Payments

This relates to payments done directly to supplier on behalf of the county governments such as; national government may fund the operation of health or education program, a donor may pay directly for construction of a given market etc. Details of payments by third parties on behalf of the county government is detailed in the notes to this financial statement.

### 6. Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and cash at bank, short-term deposits on call and highly liquid investments with an original maturity of three months or less, which are readily convertible to known amounts of cash and are subject to insignificant risk of changes in value. Bank account balances include amounts held at the Central Bank of Kenya and at various commercial banks at the end of the financial year.

### 7. Restriction on cash

Restricted cash represents amounts that are limited /restricted from being used to settle a liability for at least twelve months after the reporting period. This cash is limited for direct use as required by stipulation.

Amounts maintained in deposit bank accounts are restricted for use in refunding third party deposits. As at 30<sup>th</sup> June 2023.

### 8. Imprests and Advances

For the purposes of these financial statements, imprests and advances to authorised public officers and/or institutions which were not surrendered or accounted for at the end of the financial year is treated as receivables. This is in recognition of the government practice where the imprest payments are recognized as payments when fully accounted for by the imprest or AIE holders. This is an enhancement to the cash accounting policy. Other accounts receivables are disclosed in the financial statements.

### 9. Third party deposits and retention

For the purposes of these financial statements, deposits and retentions held on behalf of third parties have been recognized as accounts payables. This is in recognition of the government practice of retaining a portion of contracted services and works pending fulfilment of obligations by the contractor and to hold deposits on behalf of third parties. This is an enhancement to the cash accounting policy adopted and prescribed by the Public Sector Accounting Standards Board. Other liabilities including pending bills are disclosed in the financial statements.

### 10. Non-current assets

Non-current assets are expensed at the time of acquisition while disposal proceeds are recognized as receipts at the time of disposal. However, the acquisitions and disposals are reflected in the entity fixed asset register a summary of which is provided as a memorandum to these financial statements.

### 11. Pending bills

Pending bills consist of unpaid liabilities at the end of the financial year arising from contracted goods or services during the year or in past years. As pending bills do not involve the payment of cash in the reporting period, they are recorded as 'memorandum' or 'off-balance' items to provide a sense of the overall net cash position of the *entity* at the end of the year. Pending bill form a first charge to the subsequent year budget and when they are finally settled, such payments are included in the statement of receipts and payments in the year in which the payments are made.

### 12. Contingent Liabilities

A contingent liability is:

- A possible obligation that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the entity; or
- b) A present obligation that arises from past events but is not recognised because:
  - i) It is not probable that an outflow of resources embodying economic benefits or service potential will be required to settle the obligation; or
  - ii) The amount of the obligation cannot be measured with sufficient reliability.

Some of contingent liabilities may arise from: litigation in progress, guarantees, indemnities. Letters of comfort/ support, insurance, Public Private Partnerships. The Entity does not recognize a contingent liability but discloses details of any contingencies in the notes to the financial statements unless the possibility of an outflow of resources embodying economic benefits or service potential is remote. Annex 6 of this financial statement is a register of the contingent liabilities in the year.

### 13. Contingent Assets

The Entity does not recognize a contingent asset but discloses details of a possible asset whose existence is contingent on the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Entity in the notes to the financial statements. Contingent assets are assessed continually to ensure that developments are appropriately reflected in the financial statements. If it has become virtually certain that an inflow of economic benefits or service potential will arise and the asset's value can be measured reliably, the asset and the related revenue are recognized in the financial statements of the period in which the change occurs.

### 14. Budget

The budget is developed on the same accounting basis (cash basis), the same accounts classification basis, and for the same period as the financial statements. The County Executive's budget was approved as required by Law and as detailed in the County Revenue Allocation Act. The original budget was approved by the County Assembly as required by law. There was number of supplementary budgets passed in the year. A high-level assessment of the County Executive's actual performance against the comparable budget for the financial year under review has been included in an annex to these financial statements.

### 15. Comparative figures

Where necessary comparative figures for the previous financial year have been amended or reconfigured to conform to the required changes in presentation.

### 16. Subsequent events

Events after submission of the financial year end financial statements to County Treasury and other stakeholders with a significant impact on the financial statements may be adjusted with the concurrence of the County Treasury.

### 17. Prior Period Adjustment

During the year, errors that have been corrected are disclosed *under note 26* explaining the nature and amounts.

### 18. Related Party Transactions

Related party means parties are related if one party has the ability to:

- a) Control the other party or
- b) Exercise significant influence over the other party in making financial and operational decisions, or if the related party entity and another entity are subject to common control.

Relates party transaction is a transfer of resources of obligations between related parties regardless of whether a price is charged.
