CHAIRPERSON'S FOREWORD

Pursuant to Article 2(6) of the Constitution of Kenya, which provides that treaties and conventions ratified by Kenya shall form part of the law of Kenya and, the Treaty Making and Ratifications Act, *No. 18 of 2012* which provides the procedure for the **making** and **ratification** of treaties, the Cabinet Secretary, Ministry of East African Community submitted to the National Assembly a memorandum on the Ratification of the Amendment to Article 24(2)(a) of the Protocol on the Establishment of the East African Community Customs Union "the Protocol"

The Amendment Protocol and the accompanying Memorandum was tabled in the House on 14th February, 2017 and committed to the Committee pursuant to Standing Order 216(5)(fa). The Committee could not conclude the consideration of the Ratification of the Protocol as it was submitted towards the tail end of the 11th Parliament and therefore included the matter as pending business in its exit report pursuant to Standing Order 200A (1).

The objective of the memorandum was to:

1. Inform the National Assembly of the approval by the Heads of State of the Partner States of the East African Community of the amendment to Article 24(2)(a) of the Protocol on the Establishment of the East African Community Customs Union ("the Protocol");
2. Inform the National Assembly that the Cabinet at its Sixth meeting held on 28th July, 2016 approved the ratification of the amendment to Article 24(2)(a) of the Protocol; and
3. Seek the approval of the National Assembly for the Republic of Kenya to ratify the amendment to Article 24(2)(a) of the Protocol.

The Protocol commenced on 1st January, 2005 upon ratification by the three founding Partner States, this was prior to the accession of the Treaty by the Republics of Rwanda and Burundi who later acceded the Treaty and, by extension, the Protocol in the year 2007.

Article 24(2) (a) of the Protocol establishes the East African Community Trade Remedies Committee [in this report referred to as "the Committee"] to among others handle matters pertaining to; Rules of Origin, anti-dumping measures, subsidies and countervailing, safeguard measures, dispute settlement and any other matter referred to the Committee by the Council of Ministers established by Article 9 of the Treaty.

The Protocol provides that the Committee shall be composed of nine (9) members, qualified and competent in matters of trade, customs and, that each Partner State shall be required to nominate three members to the Committee.

It is against this background that the Republic of Rwanda and the Republic of Burundi which acceded to the EAC Treaty after the commencement of the Treaty are unable to nominate their representatives to the Committee. Partner States who have subsequently joined the EAC are also unable to nominate Members to the Committee.

To remedy this anomaly, the 10th Ordinary meeting of the Heads of State held on 29th April, 2009 approved the amendment of Article 24(2)(a) of the Protocol to provide for the nomination of the members of the Committee by each partner state.

Article 118(1)(b) of the Constitution provides that, *“Parliament shall facilitate public participation and involvement in the legislative and other business of Parliament and its committees”*. Further, Section 8(3) of the Treaty Making and Ratification Act, *No. 18 of 2012* provides that, *“the relevant Parliamentary Committee shall, during its consideration of the Treaty, ensure Public Participation in the ratification process in accordance with the laid down Parliamentary Procedures”*

Pursuant to Article 118(1)(b) of the Constitution of Kenya and Section 8 of Treaty Making and Ratification Act, *No. 18 of 2012*, the Committee invited the public to submit representations on the Treaty on the 3rd March, 2021. The Committee however, did not receive any memoranda in respect to the Amendment of the Protocol.

The Committee is thankful to the Office of the Speaker and the Clerk of the National Assembly for the logistical and technical support accorded to it during its consideration of the Amendment to Article 24(2)(a) of the Protocol.

On behalf of the Committee, it is therefore my pleasant duty and privilege to present this report on the consideration for approval of the Ratification of the Amendment to Article 24(2)(a) of the Protocol on the Establishment of the East African Community Customs Union pursuant to Section 8(4) of the Treaty Making and Ratification Act, *No. 18 of 2012* and Standing Order 199 of the National Assembly.

Signed.......... Date07/07/2021.....

HON. ALI WARIO, MP CBS
CHAIRPERSON, SELECT COMMITTEE ON REGIONAL INTEGRATION

EXECUTIVE SUMMARY

This report contains the Committee deliberations on its consideration of the memorandum on the Ratification of the Amendment to Article 24(2)(a) of the Protocol on the Establishment of the East African Community Customs Union.

Pursuant to Article 118(1)(b) of the Constitution of Kenya and Section 8 of Treaty Making and Ratification Act, *No. 18 of 2012*, the Committee invited the public to submit representations on the Treaty on the 3rd March, 2021. The Committee however, did not receive any memoranda in respect to the Amendment of the Protocol.

The Treaty for the Establishment of the East African Community was signed on 30th November, 1999 and entered into force on 7th July, 2000 following its ratification by the three founding Partner States of the EAC (the Republic of Kenya, the Republic of Uganda and the United Republic of Tanzania). The Republic of Rwanda and the Republic of Burundi joined the EAC in 2007 and acceded to the Treaty for the Establishment of the East African Community and by Extension the Protocol on the Establishment of the East African Community Customs Union.

Article 24(2) (a) of the Protocol had capped the Membership of the Trade Remedies Committee to nine (9), with each Partner State required to nominate three (3) members which excluded the Republic of Rwanda and the Republic Burundi from nominating members to the Committee.

The admission of the Republic of Rwanda and the Republic of Burundi and later the Republic of South Sudan therefore, necessitated the Amendment of Article 24(2)(a) of the Protocol in order to allow the two Partner States to nominate members to Trade Remedies Committee and to allow any future member of the EAC to nominate members to the Committee.

The amendment was further necessitated by the provisions of Article 150 (6) of the Treaty for the establishment of EAC, which provides that *"Any amendment of the Treaty shall be adopted by the Summit and shall enter into force when ratified by all the Partner States"*. This is consistent with the expansion of the Community through admission of new Partner States.

The ratification of the amendment is to allow for the operationalization of the Committee, which shall provide the EAC Partner States with a platform to handle matters pertaining to Rules of Origin, anti-dumping measures, subsidies and countervailing measures and safeguard measures within the EAC Customs Union.

The Committee therefore recommends: -

THAT, Pursuant to Section 8 of the Treaty Making and Ratification Act of 2012, the House APPROVES the Ratification of the Amendment to Article 24(2)(a) of the Protocol on the Establishment of the East African Community Customs Union.

1.4 Compliance with the procedure for amendment of the Treaty Establishing the East African Community

THE TREATY ESTABLISHING THE EAST AFRICAN COMMUNITY

The Treaty for the establishment of the East African Community was signed on 30th November, 1999 and came in force on 7th July, 2000 following its ratification by the three founding Partner States of EAC (the Republic of Kenya the Republic of Uganda and the United Republic of Tanzania). The Republic of Rwanda and the Republic of Burundi joined the EAC in 2007 and acceded to the Treaty on the Establishment of East African Community and by extension the Protocol on the Establishment of East African Community Customs Union.

5. Article 151(4) of the Treaty provides that Annexes and Protocols to the Treaty form an integral Part of the Treaty. The procedure for amending the Treaty is provided for under Article 150(6) which provides that, *any amendment to this Treaty shall be adopted by Summit and shall enter into force when ratified by all Partner States*

1.5 Compliance with the procedure for approval of a treaty under the Treaty Making and Ratification Act, 2012

6. The procedure for ratification of treaties is provided for under section 8 of the Treaty Making and Ratification Act, 2012. Section 8 of the Act provides that, *where the Cabinet approves the ratification of a treaty, the Cabinet Secretary shall submit the treaty and a memorandum on the treaty to the Speaker of the National Assembly.*
7. Further, subsection (3) provides that *the relevant parliamentary committee shall during its consideration of the treaty ensure public participation in the ratification process in accordance with laid down parliamentary procedure.*

2.0 CONSIDERATION OF THE AMENDMENT TO ARTICLE 24(2) (a) OF THE PROTOCOL ON THE ESTABLISHMENT OF THE EAST AFRICAN COMMUNITY CUSTOMS UNION

2.1 Background to the Amendment

8. The Treaty for the Establishment of the East African Community was signed on 30th November, 1999 and entered into force on 7th July, 2000 following its ratification by the original three founding Partner States of the EAC (the Republic of Kenya, the Republic of Uganda and the United Republic of Tanzania). The Republic of Rwanda and the Republic of Burundi joined the EAC having acceded to the Treaty on 18th June 2007 and becoming full members effective 1st July, 2007 while the Republic of South Sudan acceded to the Treaty on 15th April, 2016 and became a full member effective 15th August, 2016.
9. In Joining the EAC, the Republic of Rwanda and the Republic of Burundi acceded to the Treaty for the Establishment of the East African Community and by Extension the Protocol on the Establishment of the East African Community Customs Union.
10. The admission of the Republic of Rwanda and the Republic of Burundi in to the East African Community in 2007 therefore necessitated the Amendment of Article 24(2)(a) of the Protocol on the Establishment of the East African Community Customs Union in order to allow the two Partner States to nominate members to join the East African Community Trade Remedies Committee.

2.2 The East African Community Customs Union Protocol

11. The Protocol on the Establishment of the East African Community Customs Union was signed in December, 2004 by the three founding Partner States of the EAC and came into force on 1st January, 2005.
12. The Protocol was done in line with the Provisions of Article 75 of the Treaty Establishing the East African Community and is a key pillar and the first stage of the EAC integration Process. The Protocol provides for among others; Common External Tariffs, Elimination of Internal Tariffs Program, mechanisms for identifying and elimination of non-Tariff barriers, Trade Facilitation, Rules of Origin, National Treatment, Anti-Dumping measures, subsidies and countervailing measures, safeguard measures, Dispute settlement mechanism and export Promotion schemes.

2.3 The Trade Remedies Committee

13. Article 24 of the Protocol provides for the establishment of the East African Community Committee on Trade Remedies to handle any matters pertaining to: -
 - (a) rules of origin provided for under the East African Community Customs Union (Rules of Origin) Rules, specified in Annex III to this Protocol;

- (b) anti-dumping measures provided for under the East African Community Customs Union (Anti-Dumping Measures) Regulations, specified in Annex IV to this Protocol;
- (c) subsidies and countervailing measures provided for under the East African Community Customs Union (Subsidies and Countervailing Measures) Regulations, specified in Annex V to this Protocol;
- (d) safeguard measures provided for under the East African Community Customs Union (Safeguard Measures) Regulations, specified in Annex VI to this Protocol;
- (e) dispute settlement provided for under the East African Community Customs Union (Dispute Settlement Mechanism) Regulations, specified in Annex IX to this Protocol; and
- (f) any other matter referred to the Committee by the Council.

14. Article 24(2)(a) of the Customs Union Protocol provides for the Membership of the trade Remedies committee as follows: -

“The Committee shall be composed of nine members, qualified and competent in matters of trade, customs and law”.

15. Article 24(b) provides that each partner state shall nominate three members to the Committee.

2.4 Amendment of Article 24 (2)(a) of the Protocol

16. The 10th Ordinary meeting of the EAC Summit of Heads of State held on 10th April, 2009 approved the amendment of Article 24(2)(a) of the Protocol for the Establishment of the EAC Customs Union, by deleting the word “nine” appearing in Paragraph (2) (a) of that Article.

The Article as amended provides that: -

“The Committee shall be composed of members, qualified and competent in matters of trade, customs and law”.

17. The EAC Secretary General wrote to the Partner States on 10th November, 2014 communicating the decision of the Sectoral Council on Legal and Judicial Affairs from its meeting held from 27th October to 1st November, 2014 directing Partner States to expedite the ratification process and deposit the instruments of ratification by 28th February, 2015 to enable the operationalization of the Trade Remedies Committee, and transmitted the approved amended Article 24(2)(a) of the Protocol on the Establishment of the EAC Customs Union.

18. The 30th Meeting of the Council held on 28th November, 2014 directed Partner States to deposit with the EAC Secretary General instruments of Ratification of the amendment of Article 24(2)(a) of the Customs Union Protocol by 15th August, 2015.

2.5 Justification of the Amendment

19. The Protocol provides that the Trade and Remedies Committee shall be composed of nine (9) members, qualified and competent in matters of trade, customs and law. Each partner state is supposed to nominate three members to the committee.
20. Taking into account the defined total membership of the Committee, the Republics of Rwanda, Burundi and subsequently the Republic of South Sudan that later acceded to the Treaty are unable to nominate members to the Committee.
21. The amendment therefore allows all partner states to nominate members to the Trade Remedies Committee in order to operationalize it.

3.0 SUBMISSIONS FROM STAKEHOLDERS

3.1 Submissions from the Ministry of East African Community and Regional Development

22. Dr. Kevit Desai, Principal Secretary, State Department for East African Community appeared before the Committee on Tuesday 16th March, 2021 and submitted that: -
- a) The East African Community Customs Union Protocol came into force in 2005 upon ratification by the 3 original partner states before the Republic of Rwanda and Burundi became members of the East African Community. The two Partner states acceded to the Treaty and by extension the Protocol in 2007.
 - b) Article 24(2) of the Protocol establishes the EAC Trade Remedies Committee to among others; handle matters pertaining to Rules of Origin, anti-dumping measures; subsidies, countervailing and safeguard measures, dispute settlement and any other matter referred to the Committee by the Council.
 - c) The Protocol provides that the Committee shall be composed of nine (9) members, qualified and competent in matters of trade, customs, and law. Each Partner State is required to nominate three members to the Committee. The Republics of Rwanda and Burundi are unable to nominate members to the Committee because of this limitation to nine (9) members.
 - d) Consequently, the 10th Ordinary meeting of the Heads of State held on 29th April, 2009 approved amendment of Article 24 (2)(a) of the Protocol to accommodate the Republic of Rwanda and the Republic of Burundi and future membership.
 - e) The 30th Meeting of the Council held on 28th November, 2014 directed Partner States to deposit with the EAC Secretary General Instruments of Ratification of the Amendment of

Article 24(2) by 5th August, 2015. The amendment shall come into force when ratified by all Partner States.

- f) Article 24(2)(a) of the Protocol in its current form excludes the Republic of Rwanda and the Burundi and any future member from nominating members to the Trade Remedies Committee. The amendment approved by the Summit provides that: - “The Committee shall be composed of members, qualified and competent in matters of trade, customs and law”. The ratification of the amendment is therefore intended to cure the anomaly.
- g) The amendment was done in line with the provisions of the Article 150 (6) of the Treaty for the establishment of the EAC which provides that, ‘any amendment to the Treaty shall be *adopted by the Summit* and shall enter into force when ratified *by all the Partner States*’. It is also consistent with the expansion of the Community through the admission of new partner States.
- h) The amendment of the Article will not have any implications on the Constitution of Kenya.
- i) The Ministry requested the Committee to: -
 - i) Take note of the approval by EAC summit of the amendment to Article 24(2)(a) of the Customs Union Protocol.
 - ii) Take note of the approval by the Cabinet at its 6th meeting of 28th July, 2016 which approved the ratification of the amendment to Article 24(2)(a) of the Protocol; and,
 - iii) Request the National Assembly to consider and ratify the amendment to Article 24(2)(a) of the Protocol.

3.2 Submissions from the Ministry of Industrialization, Trade and Enterprise Development

23. The Cabinet Secretary, Ms. Betty C. Maina, appearing before the Committee on 6th April, 2021 informed the Committee that: -

- a) Article 24 (1) of the EAC Customs Union Protocol establishes the EAC Committee on Trade Remedies to handle matters pertaining to rules of origin, anti-dumping, subsidies and safeguard measures.
- b) Article 24(2)(a) limits the membership to nine with each Partner State nominating three members competent in matters of Trade, Customs and Law.
- c) Article 24(2)(a) and (b) provide that: -
 - a. “The Committee shall be composed of nine members, qualified and competent in matters of Trade, Customs and Law.”
 - b. “Each Partner State shall nominate three members to the Committee.”
- d) At the time the EAC Protocol on Customs Union came into force in 2005, the EAC was composed of only three Partner States (Republic of Kenya, Republic of Uganda and the United Republic of Tanzania).

- e) In July, 2007 the Republic of Rwanda and the Republic of Burundi joined the EAC. Consequently, by dint of the capped membership under Article of 24(2) (a) the two acceding Partner States would not nominate their members to the EAC Committee on Trade Remedies.
- f) In order to allow Partner States acceding to the EAC nominate their members to the EAC Committee on Trade Remedies, the 10th Summit of EAC Heads of State held on 29th April, 2009 approved the amendment of Article 24 (2) (a) to read as follows;
 - a. *“The Committee shall be composed of members, qualified and competent in matters of trade, customs and law.”*
- g) Article 24 (2) (b) which provides that each Partner State shall nominate three members to the Committee remained unchanged.
- a) The amendment to Article 24(2)(a) of the Customs Union Protocol can only come into force upon deposit of instruments of ratification with the Secretary General of the EAC by all Partner States as provided for by Article 150 of the Treaty for the establishment of the East African Community (EAC Treaty) read together with Article 151 of the EAC Treaty.
- b) Currently none of the EAC Partner States has ratified the amendment to the Protocol.
- c) Article 24(4) of the Customs Union Protocol provides for the functions of the Trade Remedies Committee as follows;
 - i. Initiate, through the investigating authorities of the Partner States, investigation on disputes under the regulations in Paragraph 1 of this Article.
 - ii. Make affirmative or negative determinations on investigation.
 - iii. Recommend provisional measures to prevent injury to a domestic industry where preliminary affirmative determination has been made;
 - iv. Undertake consultation with Partner States in relation and other countries on matters before it;
 - v. Report to the Council on all determinations in relation to matters submitted to it and decisions made by it;
 - vi. Provide advisory opinion to the Partner States to matters under Paragraph 1 of this Article;
 - vii. Review annually the implementation and operations of the matters in Paragraph 1 of this Article;
 - viii. Issue public notices under matters in Paragraph 1 of this Article;
 - ix. Facilitate consultations by Partner States and parties to the dispute before it to ensure timely fulfilment of all requirements by the parties to the dispute and provide advice as appropriate;
 - x. Administer and manage the dispute settlement mechanism; and
 - xi. Undertake any functions assigned to it by any regulation under the Protocol or by the Council.

- d) Implications of the delay in ratification of the amended Article 24(2)(a) of the EAC Customs Union Protocol by the EAC Partner States
- i. The delay in ratification of the amendment and in effect lack of operationalization of this Committee means that the EAC Partner States have no avenue to handle matters pertaining to Rules of Origin, anti-dumping measures, subsidies and countervailing measures and safeguard measures within the EAC Customs Union.
 - ii. There has been a proliferation of Non-Tariff Barriers to trade (NTBs) within the EAC. Section 12(2), (3) and (4) of the EAC Elimination of Non-Tariff Barriers Act, 2017 allows the Council of Ministers to refer matters on elimination of NTBs to the EAC Committee on Trade Remedies. In the prevailing circumstances, the only mechanism for an aggrieved party within the EAC on NTBs is to institute proceedings at the East African Court of Justice which is not only costly but also time consuming for traders.
 - iii. The delay in ratification denies the business community a dedicated Committee to handle matters related to rules of origin, trade remedies and non-tariff barriers which are the key substratum of any trade and business.
24. Status of the ratification
- e) The Republic of Kenya just like the other EAC Partner States has not completed the ratification process of the amended Article 24(2) (a) of the EAC Customs Union Protocol. The Ministry of East African Community and Regional Development being the lead agency on matters of East African Community initiated the ratification process pursuant to the provisions of Treaty Making and Ratifications Act of Kenya. Pursuant to the Treaty Making and Ratifications Act, ratification of such amendments must be approved by the Cabinet and the National Assembly.
 - f) In light of this, it is our recommendation that the Ministry of East African Community and Regional Development fast tracks the ratification process to avert further inconveniences to the Kenyan business community.
 - g) The need for the urgent conclusion of the ratification of the amendment to Article to 24(2)(a) of the EAC Customs Union Protocol will in effect pave way for the operationalization of the critical Committee on Trade Remedies.
- h) The Ministry of Industrialization, Trade and Enterprise Development proposed;
- i. That the Ministry of East African Community and Regional Development urgently concludes the ratification process of the amendment to Article to 24(2) (a) of the EAC Customs Union Protocol.
 - ii. Noting that the amendment to Article 24(2) of the Customs Union Protocol can only come into force upon deposit of instruments of ratification with the Secretary General of

- the EAC by all Partner States, there need for concerted efforts by the relevant EAC organs to ensure that all Partner States ratify and deposit their instrument of ratification.
- iii. That the Select Committee on Regional Integration in liaison with the National Assembly Committee on Trade, Industry and Cooperatives and the EALA Committee on Communication, Trade and Investment assists in advocating to the EAC Partner States the need to operationalize the EAC Committee on Trade Remedies.
 - iv. With the proliferation of complaints by the Kenyan traders on increased dumping of some goods such as maize and eggs from some EAC countries that have an impact on domestic market, the need to strengthen the Kenya Trade Remedies Agency (KETRA) established under Section 3(1) of the Kenya Trade Remedies Act, 2017 cannot be gainsaid. The lack of forum for Kenyan traders to lodge complaints on trade remedies matters under the EAC Customs Union provides an opportunity for KETRA to bridge this gap.
 - v. Further Article 24(4) (a) of the EAC Customs Union mandates the EAC Committee on Trade Remedies to initiate investigations through the investigating authorities of the Partner States. Apart from Kenya none of the other Partner States has established an investigating body. Section 5 of the Kenya Trade Remedies Act mandates KETRA to investigations allegations of dumping and subsidization of imported products in Kenya. Moreover, any disputes related to trade remedies (anti-dumping, subsidies and safeguard measures) cannot be instituted before an investigation by a competent investigating body is completed. It is thus critical that KETRA is fully supported to ensure that it undertakes this mandate to alleviate injury to our domestic market.

4.0 COMMITTEE OBSERVATIONS

25. The Committee having considered the proposed Amendment to Article 24(2)(a) of the Protocol on the Establishment of the East African Community Customs Union Protocol observed as follows, **THAT:** -

1. Article 24(2)(a) of the Customs Union Protocol capped the Membership of the Trade Remedies Committee to nine (9) which excluded the Republics of Rwanda and Burundi and any future member of the EAC from nominating members to the Trade Remedies Committee.
2. The amendment was done in line with the provisions of the Article 150 (6) of the Treaty for the establishment of EAC, which provides that "Any amendment of the Treaty shall be adopted by the Summit and shall enter into force when ratified by all the Partner States". It is also consistent with the expansion of the Community through admission of new Partner States.
3. The amendment is necessary as it expands the membership of the Trade Remedies Committee following the admission of the Republics of Rwanda and Burundi in July, 2007 and further accommodates more representation in case more countries join the EAC. The Republic of South Sudan was admitted to the EAC on 15 April 2016 and became a full member effective 15th August, 2016.
4. The 30th Meeting of the Council held on 28th November 2014 directed Partner States to deposit with the EAC Secretary General instruments of Ratification of the amendment of Article 24(2) (a) by 15th August, 2015. The amendment shall come into force once ratified by all partner States. So far, Partner States are yet to ratify the amendment.
5. The ratification of the amendment will allow for the operationalization of the Trade Remedies Committee that shall provide the EAC Partner States with a platform to handle matters pertaining to Rules of Origin, anti-dumping measures, subsidies and countervailing measures and safeguard measures within the EAC Customs Union.
6. The Council of EAC Ministers should urge Partner States to fast track the approval of the Ratification of the Amendment to the Protocol.
7. In the meantime, the Committee notes that with the proliferation of complaints by the Kenyan traders on increased dumping of some goods such as maize and eggs from some EAC countries, Kenya has established The Kenya Trade Remedies Agency (KETRA under Section 3(1) of the Kenya Trade Remedies Act, 2017 which provides a mechanism for Kenyan traders to lodge complaints on trade remedies matters. There is therefore need for the government to strengthen this Agency.

5.0 COMMITTEE RECOMMENDATION

26. Having considered the ratification of the amended article 24(2)(a) of the Protocol on the establishment of the East African Community Customs Union to provide for the establishment of the Trade Remedies Committee, the Committee recommends that:-

Pursuant to Section 8 of the Treaty Making and Ratification Act of 2012, the House APPROVES the Ratification of the amended article 24(2)(a) of the Protocol on the establishment of the East African Community Customs Union.

MIN. NO. NA/RIC/2021/32 PRELIMINARIES

The Chairperson called the meeting to order at twenty five minutes past nine O'clock and prayers were said.

MIN.NO.NA/RIC/2021/33 CONSIDERATION AND ADOPTION OF THE COMMITTEE REPORT ON ITS CONSIDERATION FOR APPROVAL THE RATIFICATION OF THE AMENDMENT TO ARTICLE 24(2) (a) OF THE PROTOCOL ON THE EASTABLISHMENT OF THE EAST AFRICAN COMMUNITY CUSTOMS UNION

The Committee considered the report and observed that:-

1. Article 24(2)(a) of the Customs Union Protocol capped the Membership of the Trade Remedies Committee to nine (9) which excluded the Republic of Rwanda and the Republic of Burundi and any future member of the EAC from nominating members to the Trade Remedies Committee.
2. The amendment is in line with the provisions of the Article 150 (6) of the Treaty for the establishment of EAC which provides that "Any amendment of the Treaty shall be adopted by the Summit and shall enter into force when ratified by all the Partner States". It is also consistent with the expansion of the Community through admission of new Partner States.
3. The amendment is necessary as it expands the membership of the Trade Remedies Committee following the admission of the Republics of Rwanda and Burundi in July, 2007 and further accommodates more representation in case more countries join the EAC. The Republic of South Sudan was admitted to the EAC on 15th April, 2016 and became a full member effective 15th August 2016.
4. The 30th Meeting of the Council held on 28th November, 2014 directed Partner States to deposit with the EAC Secretary General instruments of Ratification of the amendment of Article 24(2) (a) by 15th August, 2015. The amendment shall come into force once ratified by all partner States. So far, Partner States are yet to ratify the amendment.
5. The ratification of the amendment will allow for the operationalization of the Trade Remedies Committee that shall provide the EAC Partner States with a platform to handle matters pertaining to Rules of Origin, anti-dumping measures, subsidies and countervailing measures and safeguard measures within the EAC Customs Union.
6. The Council of EAC Ministers should urge Partner States to fast track the approval of the Ratification of the Amendment to the Protocol.
7. In the meantime, the Committee notes that with the proliferation of complaints by the Kenyan traders on increased dumping of some goods such as maize and eggs from some EAC countries, Kenya has established the Kenya Trade Remedies Agency (KETRA) under Section

3(1) of the Kenya Trade Remedies Act, 2017 which provides a mechanism for Kenyan traders to lodge complaints on trade remedies matters. There is therefore need for the government to strengthen this Agency.

The Committee recommended, that:-

Pursuant to Section 8 of the Treaty Making and Ratification Act of 2012, the House approves the Ratification of the amended article 24(2)(a) of the Protocol on the establishment of the East African Community Customs Union.

The report was unanimously adopted having been proposed and seconded by the Hon. John Kiarie Waweru, M.P and the Hon. Kubai Iringo, M.P respectively.

**MEMORANDUM TO THE SPEAKER OF THE NATIONAL ASSEMBLY
ON THE RATIFICATION OF THE AMENDMENT TO ARTICLE 24 (2)
OF THE PROTOCOL ON THE ESTABLISHMENT OF THE EAST
AFRICAN COMMUNITY CUSTOMS UNION**

(Submitted by the Cabinet Secretary for Foreign Affairs)

1.0 OBJECTIVE OF THE MEMORANDUM

The objective of the memorandum is to:

1. Inform the National Assembly of the approval by the Heads of State of the Partner States of the East African Community of the amendment to Article 24(2) of the Protocol on the Establishment of the East African Community Customs Union ("the Protocol").
2. Inform the National Assembly that the Cabinet at its Sixth meeting held on 28th July, 2016 approved the ratification of the amendment to Article 24 (2) of the Protocol
3. Seek the approval of the National Assembly for the Republic of Kenya to ratify the amendment to Article 24 (2) of the Protocol.

2.0 BACKGROUND OF THE SUBJECT MATTER

The Protocol on the establishment of the East Africa Community Customs Union came into force on 1st January, 2005 upon ratification by the three original Partner States before the Republic of Rwanda and Burundi became members of the East African Community. The two Partner States acceded to the Treaty and by extension to the Protocol in 2007.

Article 24(2) of the Protocol establishes the EAC Trade Remedies Committee to among others handle matters pertaining to Rules of Origin, anti-dumping measures, subsidies and countervailing, safeguard

measures, dispute settlement and any other matter referred to the Committee by the Council.

The Protocol provides that the Committee shall be composed of nine (9) members, qualified and competent in matters of trade, customs and law. Each Partner State is required to nominate three members to the Committee. However and taking into account the defined numbers, the Republics of Rwanda and Burundi that later acceded to the EAC Treaty are unable to nominate members to the Committee.

It is in this regard that the 10th Ordinary meeting of the Heads of State held on 29th April, 2009 approved the amendment of Article 24(2) of the Protocol to accommodate the prevailing number of Partner States.

The 30th meeting of the Council held on 28th November 2014 directed Partner States to deposit with the EAC Secretary General Instruments of Ratification of the amendment of Article 24 (2) by 15th August, 2015. The amendment shall come into force when ratified by all Partner States.

3.0 ANALYSIS OF THE PROBLEM

Article 24(2) of the Protocol in its current form excludes the Republics of Rwanda and Burundi from nominating members to Trade Remedies Committee. The amendment approved by the Summit provides as follows; *"The Committee shall be composed of members, qualified and competent in matters of trade, customs and law"*. The ratification of the amendment is therefore intended to cure the anomaly.

The amendment was done in line with the provisions of the Article 150 (6) of the Treaty for the establishment of EAC which provides that *"Any amendment of the Treaty shall be adopted by the Summit and shall enter into force when ratified by all the Partner States"*. It is also consistent with the expansion of the Community through admission of new Partner States.

The operationalization of the Trade Remedies Committee will: enable the Republics of Burundi and Rwanda to be members of the Trade Remedies Committee; ensure adherence to application of the EAC rules of origin; guide subsidies and countervailing measures; regulate safeguard measures; and provide dispute settlement mechanisms. The amendment of the Article will not have any implications on the Constitution of Kenya.

4.0 OPTIONS OF THE WAY FORWARD

Article 150, (6) of the Treaty for the Establishment of the East African Community provides that "Any amendment of the Treaty shall be adopted by the Summit and shall enter into force when ratified by all the Partner States". Article 151 of the Treaty further states that the Annexes and the Protocol to the Treaty shall form an integral part of the Treaty.

Since the Summit adopted the amendment to the Protocol and the amendment is consistent with the above Treaty provisions, it is recommended that Kenya ratifies the amendment for it to enter into force thus paving way for The Republics of Burundi and Rwanda to nominate members to the Trade Remedies Committee.

5.0 FINANCIAL IMPLICATIONS

Kenya will be required to contribute towards funding the activities of the Trade Remedies Committee as part of the overall contribution to the operations of the EAC.

6.0 RECOMMENDATIONS TO THE NATIONAL ASSEMBLY

The National Assembly is requested to:

- a) Take note of the contents of this Memorandum; and
- b) Approve ratification of the amendment to Article 24 (2) of the Protocol by the Republic of Kenya.

Dear Permanent Secretary,

RE: RATIFICATION OF THE AMENDMENT OF ARTICLE 24 (2) OF THE PROTOCOL ON
THE ESTABLISHMENT OF THE EAST AFRICAN COMMUNITY CUSTOMS UNION

At its 10th Ordinary Meeting held on 29th April 2009, the EAC Summit of Heads of State approved the amendment of Article 24 (2) of the Protocol on the Establishment of the East African Community Customs Union. At its Meeting held from 27th October to 1st November 2014, the Sectoral Council on Legal and Judicial Affairs, while considering the operationalization of the EAC Trade Remedies Committee, noted that the Partner States were yet to ratify the amendment of Article 24 (2) of the Protocol.

The Sectoral Council therefore observed the need for the Partner States to expedite the ratification process and to deposit the instruments of ratification by 28th February, 2015 to enable the operationalization of the Trade Remedies Committee.

The purpose of this letter is therefore to submit to Partner States the approved amendment of the Article 24 (2) of the Protocol on the Establishment of the East African Community Customs Union. The text of amendment is attached.

Please accept, Principal / Permanent Secretary, the assurances of my highest consideration.
